The home of Mrs. Albert Edmund was yesterday the scene of an interesting affair when the North division of the Methodist Ladies Aid Society entertained the South division. A business session was followed by a social hour and light luncheon.

**MARRIED IN BOISE**  
An interesting wedding occurred in Boise, Idaho, this week, when Miss Ruby Leona Walker of that city became the bride of Harry E. Williams of Pendleton. The service was read at the home of the bride's aunt and the couple departed for a short honeymoon journey before returning to Pendleton.

The bride is the attractive daughter of Mrs. Zena Bamband and is known to a number of friends in Pendleton, where she has recently visited. Mr. Williams first came to Pendleton as captain with the Oregon Military Police in the summer of 1918, returning here he became associated with the Smythe-Lansergan company. Mr. and Mrs. Williams will make their home in Pendleton.

**CLUB ELECTS OFFICERS**  
The club room of the library attractively decked with snowball blossoms and purple lilacs, was the scene yesterday of a meeting of the Research club. Mrs. Eva Wisler and Mrs. Harry Benson being hostesses for the affair. Annual election of officers marked the day and Mrs. Clarence Edmunds was named president. Mrs. James Hill, vice-president; Mrs. E. E. Baer, corresponding secretary; Mrs. H. E. McLean, recording secretary and Mrs. T. H. Rembold treasurer.

Adjoining for a social hour, the guests enjoyed two vocal solos by Mrs. Barbara Edmunds, Mrs. Mae Haggar playing her accompaniment. Mrs. Gale Sturdivant assisted the hostesses during the serving of a buffet luncheon and additional guests of the club included Mrs. J. M. P. Snyder, Jr., Mrs. Lester Hanley and Mrs. Dodge. Members yesterday made plans for

a picnic to be held in a fortnight which will complete the club calendar.

**THURSDAY CLUB ELECTIONS**  
Thursday Afternoon Club officials for the coming year are to be Mrs. Westbrooke Dickson, president; Mrs. S. P. Sturgis, vice president; Mrs. D. D. Hobart, secretary; Mrs. George Hartman, treasurer; and Mrs. P. E. Boyden auditor. Delegates chosen to attend the convention of the State Federation of Women's Clubs to be held at Enterprise the first four days in June, are Mrs. E. T. Wade, who as president will either go or appoint her alternate, and Mrs. Dickson, with Mrs. G. W. Phelps as alternate.

Mrs. Hobart was appointed on the year book committee to serve with Mrs. A. J. Owen and Mrs. Boyden in the absence of Mrs. Hartman, named earlier in the year, who is traveling in the Orient.

The meeting was held at the home of Mrs. Wade and a tea hour filled the later hours. Blue lupin added charm to the living rooms and lilacs centered a dainty table where Mrs. John Vert presided. Mrs. Henry Dixon Jones and Mrs. Harold J. Warner, assisted in serving the guests.

The affair marked the final meeting in the Thursday Afternoon club year, the 1929-30 season being scheduled to begin the last week in September.

Retiring officers are Mrs. Wade, president; Mrs. A. L. Schaefer, vice president; Mrs. Warner, secretary; Mrs. Boyden, treasurer and Mrs. John Hanley, auditor.

## HOOVER CAMPAIGN IN STATE DROPPED

(By United Press.)  
PORTLAND, May 14.—Hoover's name will appear on the ballot in the Oregon primaries a week from today as a republican presidential candidate, but the campaign in his behalf has been dropped, according to an announcement by his local managers today. It followed a lengthy telegraph from Hoover urging them to make every effort toward defeating the "no-league candidate (Johnson) rather than advancement of my (Hoover's) name."

Hoover's managers refused to commit themselves when asked if they would try to swing the votes to Wood or Ladd.

## Second Fattest Member of "Work and Grow Thin" Club Following Orders

Two weeks after the experiment was begun, 168 pounds had been shed by the forty women members of Health Commissioner Dr. John Hill Robertson's "work and grow thin" class in Chicago. That was an average of 4.2 pounds each. Dr. Robertson's second harvest pupil is Mrs. Florence Peters, who is 5 feet 3 1/2 inches tall and weighs 212 pounds. Dieting, walking and setting up exercises are prescribed but the health commissioner says work in a garden or over the wash tub is the best reducer.

## BENEDICTS WIN GAME BUT LOSERS PROTEST

The married men are supreme in the field of baseball, and in "slobbering," too, if the single men are right. The married boys took their single friends down the line again last evening at Round-Up park with a 3 to 2 score, in a game that went five innings.

The five inning agreement, however, is something that the losers declared they knew nothing about. They swear by all that is holy in baseball that the married men agreed on seven innings but quit when the quitting was good. Marshall Spell, a disinterested spectator of the unmarried variety, stands with the benedicts.

Bill Carey was tricked into leading his mates to defeat, the single men further maintained today. He was inveigled into batting out of turn in the fifth, with two men out, the bases full, and the score 3 to 2 in favor of the benedicts. For batting out of turn, he was called out some of the more important rules of the game having when convenient, been brought into play for the benefit of either side. That ended the game, the married men having whiffed the odor of boiled cabbage and ham hocks in their respective abodes and the call to dinner.

The victory last evening was the second straight for the huddies and they now claim undisturbed title in the local baseball world.

## START TOMORROW AND KEEP IT UP EVERY MORNING

Get into the habit of drinking a glass of hot water before breakfast.

Millions of folks bathe internally new instead of loading their system with drugs. "What's an inside bath?" you say. Well, it is guaranteed to perform miracles according to hot water enthusiasts.

There are vast numbers of men and women who, immediately upon arising in the morning, drink a glass of hot water with a teaspoonful of limestone phosphate in it. This is a very excellent health measure. It is intended to flush the stomach, liver, kidneys and intestines of the previous day's waste, sour bile and indigestible material left over in the body which, if not eliminated every day, become food for the millions of bacteria which infect the bowels, the quick result is poisonous and toxics which are then absorbed into the blood, causing headache, bilious attacks, foul breath, bad taste, colds, stomach trouble, kidney misery, sleeplessness, impure blood and all sorts of ailments.

People who feel good one day and lousy the next, but who simply can not get feeling right are urged to obtain a quarter pound of limestone phosphate at the drug store which, if you use very little but it sufficient to have anyone a real crank on the subject of internal sanitation.

## BINGHAM SPRINGS WILL OPEN SEASON SATURDAY

Bingham Springs, popular mountain resort, will have its official 1930 season opening tomorrow evening and Sunday with the pool and dance open and everything running in full swing. For the fourth consecutive year, Fletcher's Jazz Orchestra will strike up the tunes of the opening dance tomorrow evening and will also play for the matinee dance on Sunday.

**Missionary is Victor**

For the past 17 years Rev. Fetoldt has been acting as a missionary to the Indians on the Crow reservation in Montana. He is now devoting himself also to the interests of the Inter-Church World Movement, and is here on that mission today. He will visit the Umatilla Indian reservation, as one of his duties is to visit all reservations in the Northwest. While here he will confer with Princess Bluefeather, Indian woman, who recently returned from service overseas and who is anxious to establish a "Y" in Pendleton for the use of Indian men and women.
