The Secret of a Superlative Tire

The whole question of a super-tire is a matter of principle. For there is nothing exclusive in the industry. No pater no secret formulas prevent a conscientious maker from builting the best.

But cost and competition modify ideals. The Brimswick idea is to pay perfection's price and get it.

That has been the Brunswick policy since 1845. And it accounts for the growing preference for Brunswick Tires. Motorists expect the utmost from a tire bearing the name of Brunswick—and get it.

You, too, will be convinced by your first Brunswick, that ere is an extraordinary tire, and that more money cannot buy

Better tires of their type are impossible or better tubes.
