DELAWARE HOUSE KILLS SUFFRAGE BY 24-10 BALLOT

Lower Legislative Body Defeats Ratification Amendment Ending Struggle Launched in Session on March 22.

CHANCE TO BE 36TH STATE IS FORFEITED

President Sends Telegram to Three Democratic Members Urging Approval of Bill for November Elections.

DOVER, June 2.—The lower house of the Delaware legislature today defeated ratification of the woman suffrage amendment by a vote of 24 to 10, ending a struggle which has lasted ever since the beginning of the special session March 22. A motion was made to go into a committee of the whole to consider suffrage. This was voted down, thus blocking roll call on ratification and killing it.

WASHINGTON, June 2.—President Wilson today telegraphed three democratic Delaware assemblymen urging them to vote for the federal suffrage amendment. They previously voted against it.

A. M. E. CHURCH TO BE DEDICATED ON SUNDAY

The newly built African Methodist Episcopal church on Willow street, Pendleton's first structure for colored congregations will be dedicated on Sunday at 3 p. m.

The church was built by popular subscription at a cost of \$2500. The building is an attractive one, having modern features, among them staine glass windows from the old Catholic church.

The African Methodists in Pendleton number about 100 at present, and the number is constantly growing.

The local church will have the distinction of being the second A. M. E. church built in this state.

LINEMEN'S STRIKE IS NOT FELT LOCALLY

The Pacific Power and Light Company is not suffering because of the linemen's strike, but should a storm break down wires the condition would be serious, says Dr. F. W. Vincent, manager of the local plant.

Dr. Vincent states that linemen in Pendleton, Prineville, Walla, Walla, Kennewick, Yakima, Sunnyside, Pasco and other towns of the district have struck, and that some of the operators are talking of a sympathy strike.

DOLLARS ARE NOT SYNONYMOUS WITH HAPPINESS: TAFT

Former President in Address on Americanism vs. Bolshevism Points Out Fallacy in "Reformer's" Vision of Utopia.

JOVIAL VISITOR FLAYS THRUST AT SOCIAL ORDER

Relation Between Capital and Labor Carefully Analyzed and Government for Angels Only is Laid Bare.

"Dollars are not synonymous with happiness; the only real happiness lies in character," William Howard Taft, former president and statesman, told an audience of 700 Pendleton men and women in his address on "Americanism vs. Bolshevism" in Happy Canyon last evening. "The reformer in our midst cannot understand this; he can see no farther than the money which lies before him. The greed for that immediate wealth, which the reformer mistakes for happiness, is one of the chief bases of their movement."

The jovial and jovial ex-president analyzed carefully the relation between capital and labor, involving the factors of industry, thrift, invention and organization. The combination of these, he pointed out, had made for a progress 100 times as great as any alone might have shown.

It is not the constitution of the American government but the entire fabric of our society that the bolsheviks and Marxian socialists are attacking, Mr. Taft declared. They are complaining of a social order, but they are the cause of it.

CHANCES DIM FOR 1920 BAND CONCERTS

Band concerts during the summer of 1920 do not appear likely, according to a report from Joe H. Parkes, a director of the band organization.

No steps have been taken towards insuring the weekly concerts, such as were given last summer in the new bandstand in Pioneer Park, chiefly, Mr. Parkes says, because of the lack of finances.

Efforts were made this year to finance the band for the summer through another carnival. The monetary return this year was considerably below that of last year, only about \$400 net having been realized. This will not pay the men for their concerts, Mr. Parkes says.

STUDENT LYCEUM WAS DOUBLY SUCCESSFUL

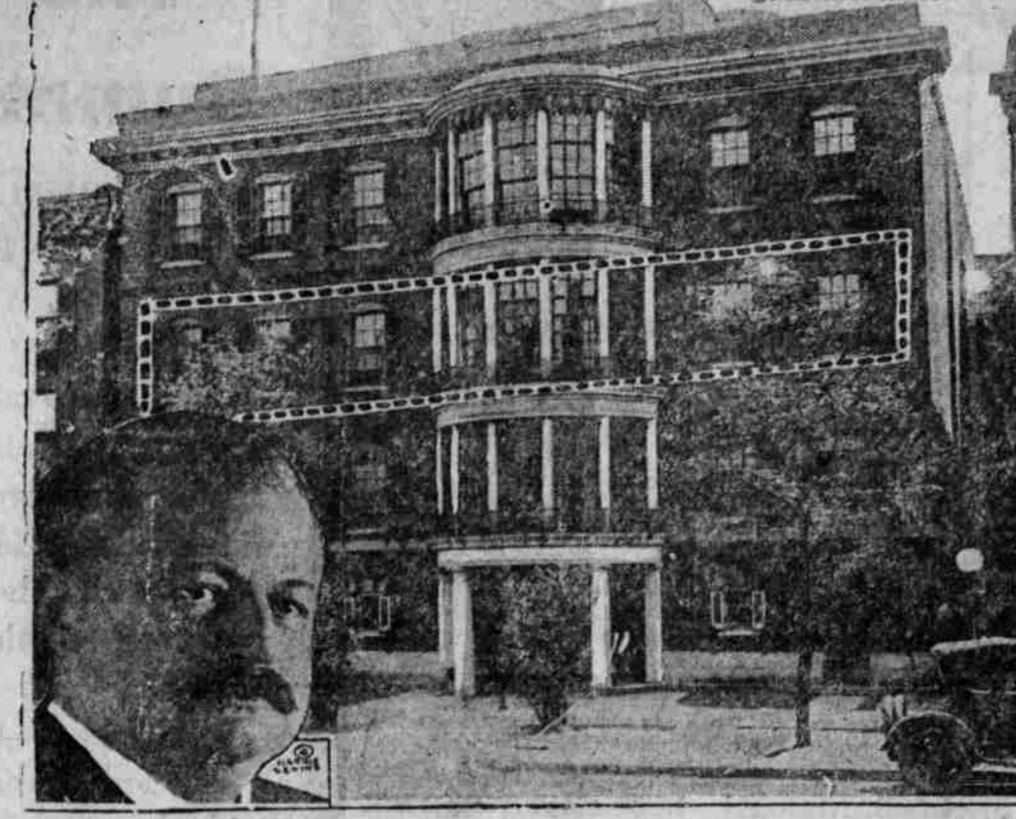

When the doors of Happy Canyon closed last night following the lecture by William Howard Taft the Pendleton high school lyceum course for the spring of 1920 also closed.

Arthur Wolwyn Evans and Mr. Taft constituted the lyceum program and both numbers were especially high class and altogether satisfactory. The Bertha-Farner Company of recital artists was also scheduled as part of the course but failed to appear on account of the influenza ban.

The lyceum was a financial success although it took considerable effort to sell the required number of tickets. The requirement was met and a neat surplus was left over. This surplus will go to the high school and will be used for some benefit to the school.

H. E. Inlow, principal of the high school, supervised all arrangements. Alberta McMonies acted as treasurer and Arthur Rudd as manager of the lyceum course.

WILL NEXT PRESIDENT BE PICKED HERE?

CHICAGO.—Is this the place Henry M. Daugherty, Harding campaign manager, was referring to when he said that 22 men would get together in a room some morning about 2 o'clock, after all the delegates were tired, and pick the Republican nominee for president? Senator Boies Penrose has rented the apartment outlined in this picture, at 49 Cedar St., the home of Duncan R. Searan, Penrose will hold forth here during the convention.

SINNFEIN AUDACIOUSLY ATTACKS INN

LONDON, June 2.—Audacity with which Sinn Feiners carried out their raid yesterday on the King's Inn in Dublin amazed the London press. A soldier guard quartered in the inn was taken by surprise and was powerless against 100 men who completed their raid in less than 10 minutes and vanished before reinforcements could arrive. The affair is expected to arouse a lively debate in parliament.

PROPOSED CHANGE IN SCHEDULE ELIMINATES BAKER-UMATILLA TRAIN

Officials Want No. 5 Changed So As to Run Through Here at Midnight; Umatilla Motor to Be Restored if Change is Made.

If the Union Pacific can make arrangements so that train No. 5 will pass through Pendleton about midnight instead of at 5:15 a. m. as at present, the Baker-Umatilla local train will be taken off the run and the Umatilla-Pendleton motor will probably be restored to service.

This is a rumor current in railroad circles today and has every indication of being authentic. William McMuray, general passenger agent for the O. W. R. & N. Co., is en route to Omaha to confer with Union Pacific officials on the subject. There is some question, however, as to middle west connections and therefore it is not certain the O. W. R. & N. people will have their way.

A fact contributing to the desire for the change in the schedule is that the O. W. R. & N. has lessened the time between Spokane and Portland with the result the O. W. R. & N. wishes to shorten the time of No. 11. The Spokane-Portland passenger that now picks up the Pendleton coach at Umatilla. It can do this by having No. 5 handle the night coaches into Portland.

There has been complaint since the Umatilla motor car was taken off and the change in schedule will be generally appreciated if the motor is put back upon the run.

J. J. CHISHOLM NAMED I. O. O. F. NOBLE GRAND

Those who will be honored are: S. P. Bowman, grand warder; R. F. Kirkpatrick, grand secretary of the entertainment; and Mrs. Frank Whelstone, vice president of the State Rebekah assembly.

JOHNSON GOES TO PUT OVER IDEAS ON LEAGUE

CLEVELAND, June 2.—Senator Johnson's principal reason for going to the republican national convention is the fact that "the convention doesn't pussyfoot or skulk on the league of nations," he said on his arrival here for two addresses.

"I shall insist the convention take a manly, courageous stand in opposition to any league," he said. "I'm entirely satisfied with my chances at Chicago, but I won't prognosticate." "Early in my career I learned that a man who boasts today what he will do tomorrow generally has to apologize on the day after. I don't assume to say that delegates will follow the expression of the republican voters in the states that had direct primaries, but if they do the result is not uncertain." "I polled a million and a quarter republican votes in the primaries, far more than my nearest opponent. That's no inconsiderable amount of the total republican vote in the country, its an expression of what the people want."

ASK FOR DISMISSAL OF H. I. WATTS CASE

A motion to dismiss the action of the state vs. Homer I. Watts was filed today with the county clerk by Mr. Watts' attorneys, Frederick W. Steiwer and Peterson, Bishop & Clark. The case is the outgrowth of a raid, on December 3, 1918, on the Watts residence in Athens, resulting in the confiscation of a large amount of liquor.

The last move in the case was taken on July 16, 1919, by District Attorney R. I. Keator when he appealed from the decision of Justice Joe H. Parks in ordering the case dismissed. The decree was made following the trial, on July 9, of the case in the justice court here.

The first complaint was filed in justice court in December, 1918, a few days after the raid, which was made December 3. At that time three cases of bottled whiskey, two gallons of whiskey in jugs, five gallons of gin, and 10 quarts of brandy were confiscated and held for evidence. The judge ordered the liquor returned to the owner, along with the dismissal order, but this was held up by the appeal.

Grounds for the petition for dismissal are that the defendant was ready for a hearing of the case at both the January and April terms of the circuit court, but that the district attorney has made no further attempt to settle the case.
