Slavery vs. Independence

It is not a difficult task to live up to your income, no matter whether you earn \$15.00 a week or \$15000.00 a year.

Spend all you make and you will be average slave as long as you live, save part of your earnings and you will achieve independence.

It is just the amount which you save from month to month and from year to year which will constitute your anchor to windward.

A Savings Account can be started with One Dollar or more in this strong bank and any amount can be added at any time and on which a liberal rate of interest will be computed twice a year.

No Carload Shipments

Are Received at Portland.

(Monday Morning Journal.)

Nothing at all came forward in carload lots to the North Portland market for the closing day of the week. General conditions were considered steady.

While there was an absence of arrivals for the Saturday trade at North Portland, the market indicated full steadiness at the week-end. As has been previously stated, the trade figures upon a \$16 top for diversion stuff of top quality, although nothing of this character has recently been received here.

General hog market range:

Prime mixed, \$15.25@15.75

Medium mixed, 14.75@15.25

Rough heavies, 10.00@11.25

Pigs, 11.75@13.75

Smooth heavies, 11.25@13.75

Market for cattle was likewise nominal for the closing day of the week.

Carload shipments received, indications were for a steady tone.

General cattle market range:

Best beef steers, \$11.75@12.25

Choice grass steers, 11.00@11.50

Good to choice steers, 10.50@11.00

Medium to good steers, 9.50@10.50

Fair to good steers, 8.50@9.50

Common to fair steers, 7.50@8.50

Choice cows and heifers, 5.50@10.25

Good to choice cows and heifers, 8.50@9.50

Medium to good cows and heifers, 7.50@8.50

Fair to medium cows and heifers, 6.50@7.50

Canners, 4.00@5.50

Bulls, 6.00@8.50

Best light calves, 12.00@13.50

Medium calves, 8.50@11.00

Heavy calves, 8.00@8.50

Stockers and feeders, 8.00@8.50

With no arrivals for the Saturday trade, North Portland sheep and lamb trade was absent, but all indications were for a steady tone for the immediate future.

RAIN INSURES SUCCESS TO CROPS ABOUT UKIAH

(East Oregonian Special.)

UKIAH, June 21.—The farmers and stockmen of Camas Prairie are rejoicing over a heavy rain which fell Thursday, thoroughly soaking the ground, which means everything to the people of this country, after short crops for three years in succession. Everybody is now wearing a smile that won't rub off, anyway soon.

Harry Huston, supervisor of District 26, with a small crew of men, is now working the road, toward the Grant county line. In a very short time will have the road from Ukiah to the John Day river in first class shape.

A number of Ukiah people are planning on attending the opening dance, at the Hildaway Springs Saturday.

Mr. and Mrs. Walter Kirk came down Saturday from Meadow-ranger

station for supplies, and a few days visit with relatives, returning Monday.

Orin Gibbs lost a good horse Saturday which died of botis.

Willie McKenzie was in town Saturday from the Lees sheep camps after camp supplies.

Robert Bond and George Caldwell, made a trip to Range last week with cattle, taking them to the Lagrange pasture for the summer.

Mrs. W. E. Gibbs of Ukiah who has been in Pendleton since last September returned Wednesday evening to the home of her daughter, Mrs. Harry Huston.

Frank Gilliland of Gardane, passed through Ukiah Thursday morning on his way to the mountains with two bands of sheep. Jim Metcarr will be with his sheep during the summer.

Mr. and Mrs. George Caldwell made a trip to Bridge Creek Thursday.

Mrs. Fred Casteel, who has been in Salem for the last month, with her son Delbert who was ill, returned to her home near Albee last Friday, bringing her son with her.

Norma Short, and Jack Casteel, were ill with measles, at the home of their grandmother, Mrs. Mary Casteel, last week.

Sheep are passing through town in large bands on their way to the mountains.

Antone Scheels was in town Thursday from Pearson Meadows ranger Station after supplies.

Charley Oney and Fayette Mettle returned from Pilot Rock Thursday with Frank Chapman.

Mr. and Mrs. Robert Bond, left for Yaakum last Sunday to begin cutting their first crop of alfalfa hay.

Ren Wilson returned Thursday from the Hynd ranch after spending several days on the farm with Mr. and Mrs. Hynd.

George Ness made a trip to Pendleton the first of the week for a load of supplies for Mr. Brundage at the Hildaway Springs, returning Thursday.

Jimmie Davis of Bitter and son of Mrs. Mary Davis who owns Ritter Springs was bit twice on the hand Thursday morning by a rattlesnake. He was immediately taken to Lons Creek for treatment, and Friday a telephone message stated that he was having spasms one after another, and that there was no hope for his recovery.

Mrs. Maggie Bell of Spokane, and Mrs. George Allyn of Lexington, who have been visiting at the home of Mr. and Mrs. J. D. Kirk and other relatives for the last three weeks, left Friday morning for their homes.

Word has been received here of the death of Jake Brehm a former resident of Albee. He is a brother of Ed and Jesse Brehm and Mrs. William McLaughlin of Albee.

ASTORIA GOLF CLUB IS NEWLY ORGANIZED

ASTORIA, June 21.—An Astoria golf club was born last week at a meeting of local golfing enthusiasts in the chamber of commerce rooms. Joe Roman was chosen as president, Dan Whitman vice president, Dick Grant, secretary, and Charles Halderman and G. W. Sanborn directors.

The ancient Scottish game has taken such deep roots in this community and

is claiming so many new recruits that

there was a general feeling that the

players should band themselves to-

gether in a permanent organization.

The Gearhart Links will be used providing that satisfactory arrangements

can be made. The dues and other details will be worked out later. At a

meeting of the executive board will be held later to make decisions for re-

port back to the club.

A series of tournaments will probably be held. Dick Grant, Frank Hal-

derman and Dan Whitman have been

named to make the necessary arrange-

ments.
