THREE BOXERS ARE IN TOWN PREPARED TO GO IN RING ON SATURDAY

Murphy, Fisk and Noye Drop in on Sunday From Portland and Will Work Out Here All Week, Noye in Hay Field.

Boxers are plentiful in Pendleton today, for Sunday morning's train brought in Johnny Noye, Frankie Murphy and Johnny Fisk from Portland where all three took part in the big Milwaukee smoker on Thursday night.

The first named of the trio has gone into the wheatfields to help make hay for the Peninger ranch, Jack Dolph, matchmaker for the post, has taken Noye in tow and the other boys are content to take their workouts in the local athletic club gymnasium and roadwork.

Buddy Stevens, who is working out daily for his bout with Fisk, did several miles of roadwork yesterday morning on the Wild Horse road with Louie Geneck, who is helping the little lightweight get in shape. Buddy realizes that he has a tough nut to crack in Fisk and is not resting on his oars a minute.

Harry Casey, who will be Murphy's opponent in the 19 round windup of the card Saturday, is expected to reach here tomorrow evening from Seattle, where he makes his headquarters. Boxers will be dropping in most every day from now until Thursday, when the last of the boys are looked for.

The seat sale which opened Saturday was fair, but the committee is not going to be satisfied with anything but a full house. A drive will be launched this week to see that every man with red blood in these parts has a ticket for the bouts.

With the legion post here in charge of the game, absolute clean sport is assured. The first smoker put on by the post was of a high order and the boys have arranged a system for Saturday night which will quickly curb anything that may arise. No incidents to detract from the center of the stage are looked for, however.

RAINIER'S LOSE TWICE IN BEAVER BACK YARD

PORTLAND, June 28.—Portland Beavers took a double victory from the Seattle Rainiers here Sunday, the scores being 3 to 2 and 2 to 1. The Beavers won both games in the final inning, the second contest requiring one frame of overtime. By their double victory the Beavers came out on the long end of the series, five games to two, and are now above the half way mark in the percentage table, although they hold fifth place.

Bees Win in Morning STOCKTON, Cal., June 28.—Heavy hitting by Salt Lake characterized the morning game in which Sacramento took the short end of a 12 to 7 score. The Bees used Mills, Kuntz and Penner in an effort to stop the slaughter.

Vernon Takes Two More LOS ANGELES, Cal., June 28.—Vernon won the double header from San Francisco, the morning game 4 to 3 and the afternoon 1 to 0. In each game the winning run came in the eighth inning. Vernon won the series six to one.

Los Angeles Takes Series SAN FRANCISCO, Cal., June 28.—Los Angeles won a double header from Oakland, the morning game 10 to 1, the afternoon game 11 to 4, winning the series four to three. In the morning game Hollings was given faulty support, the Angels scoring eight runs in the seventh inning on five hits and three errors. CARDINALS NEAR TOP AS RESULT OF WINS

NEW YORK, June 28.—A virtual tie for the National League leadership between Cincinnati and St. Louis was brought about Sunday when the Cardinals scored their third consecutive victory over the Reds. The American League race is almost equally as close, only a half game separating Cleveland in first place from New York.

The Boston and New York nationals and Chicago and Washington Americans are going at a winning pace. The White Sox received their first setback today in seven starts while the Senators increased their record to seven consecutive victories.

In the National League Cincinnati is in the midst of a batting slump and the pitching staff of Brooklyn and Chicago are faltering. Neither of the two American League leaders, Cleveland and New York, appears capable of uncovering a winning spurt.

PILOT ROCK AND TWIN CITY NINES VICTORIOUS IN EXTRA INNING PLAY

Pendleton and Helix Lose Out to Opponents in Overtime Contest While Walla Walla Gets From Under.

Two extra inning games featured the play in the next to the final Sunday of the Blue Mountain league schedule yesterday. Both games ran counter to the dope, Pilot Rock nosing out a win over the Pendleton Buckaroos and Milton-Freewater defeating Helix, hitherto undefeated, on the Helix diamond.

The Pilot Rock game went 12 innings to a 12 to 11 score and the Helix game 11 innings to a 19 to 7 score.

Athena and Walla Walla, battling for the right to hold down the cellar, played a 10 to 2 game at Athena, with the home town on the short end. All three games had plenty of everything in the category of baseball.

Pilot Rock and Pendleton seasawed back and forth through 12 innings, first one side leading and then the other. Each time that the Buckaroos stepped out to lead the home boys came back and tied it up. In their half of the 12th Pilot Rock put over the winning runs.

Milton-Freewater went to Helix armed to the teeth to get revenge and got it. Their game was hard fought all the way and it required a lot of extra punch in the final inning to put over the victory. It was Helix's first defeat of the season.

By its victory at Athena, the Walla Walla team pulled out of the cellar and left the Athenians there without a win for the season so far. Next Sunday's games end the season in the Blue Mountain League.

Benny More Than Skin Deep There is an old saying that beauty is only skin deep. That may be so with those who get their beauty out of a box but not the genuine sort. Beauty is really only another word for good health and no woman who is bilious and constipated can reasonably hope to be beautiful.

She Sets a Good Example. "I keep a bottle of Chamberlain's Colic and Diarrhoea Remedy in the house at all times and have recommended it to many friends and acquaintances who have used it with good results" writes A. O. Newell, New Kensington, Pa. Should you not do like wise? Think of the pain and suffering that must be endured when medicine must be sent for.

Now Is the Time to Get Rid of Your Rheumatism. If you are troubled with rheumatism get a bottle of Chamberlain's Lintment and use it according to the plain printed directions. You will be surprised at the quick relief which it affords. No internal treatment is required in cases of chronic or muscular rheumatism. All you need is to use this liniment freely.
