**MISS YOUNG COMPLIMENTED.**

Miss Ethel Belts of San Francisco, cousin of the hostesses, contributing several charming vocal solos, with accompanying by Mrs. Lester Rogers and the honor guest and Mrs. Earl Engdahl (Sadie Young) each adding to the day's pleasure with piano numbers. Much regret is expressed over the coming departure of Miss Young from Pendleton. She is an accomplished musician and has made a host of personal friends during her time here, which has preceded and followed extensive study in Europe and with artists in the United States. Friends who shared in the completion yesterday were Mrs. Engdahl, Mrs. Rogers, Mrs. James S. Johns, Mrs. J. G. Rankin, Mrs. Floyd Rankin, Miss Antoinette Gindraux, Miss Daphne Belts, Miss Ethel Belts and the hostesses. UMAPINE COUPLE FETED Umapine, July 15.—(M. O. Special.)—On Saturday evening in Walla Walla, a pretty wedding was solemnized when Gladys Hulick, daughter of Mr. and Mrs. G. H. Hulick of Ferndale, was married to Ray Lawson, son of Mr. and Mrs. R. Lawson of Umapine. The bride has made her home with her sister Mrs. Joe Baker near Umapine for the past two years while the groom was one of the first American boys in France in the recent war. Only immediate relatives of the young people were present at the wedding. Tuesday evening their many Umapine friends gave them a charivari at the home of the brides sister, Mrs. Joe Baker. They will make their home on the Baker ranch for the present where Mr. Lawson is employed. LEAVE FOR COAST Mrs. C. C. **MRS. CRICHTON WEDS.**

News of a wedding of interest is that of the marriage of Mrs. Jessie Crichton, head of the women's ready-to-wear department of the Peoples Warehouse, on Monday, July 12, in Cle Elum, Washington, to L. H. Taggart. Mrs. Taggart, who left Pendleton a few days prior to the event, departed for a buying trip for her department and she will continue the Eastern trip before returning to the coast. Announcement of her marriage is a surprise to local friends as few had been apprised of her plans. She has been in Pendleton for more than two years and has many friends who will welcome news that the couple will make their home here. Mr. Taggart has often visited Pendleton and will make his headquarters in this city. MISSIONARY MEETING ENJOYED Mrs. J. W. Maloney and Mrs. N. P. McLean were hostesses yesterday afternoon for a meeting of the Presbyterian Missionary Society which met at the home of Mrs. Maloney. About 45 guests enjoyed the affair. A short business session was held and the society's president, Mrs. F. J. Hegeman, gave an outline of the work to be taken up at the next meeting which will be held in September. During the social hour Mrs. J. B. McCook, Mrs. R. W. Mrs. Ell Will Visit Mrs. Joe Ell will leave tonight for a visit in Portland. LITTLE EXCITEMENT AT MARKET OPENING (By Private Wire to Overbeck & Cooke Co., Pendleton.) CHICAGO, July 15.—Wheat—Resumption of trading was accompanied by less excitement than expected and the steady action of market was highly commendable. Bulk of trade was quite naturally in the nature of buying and selling hedges. Initial trades were at practically the top of the session while the close was very near the bottom. The news which market have been influential in a settled market was of a mixed character, advices from the seaboard reported sales as high as 1,600,000 bushels to British interests, while as an offset, cash handlers reported free selling by the country. Cash markets were generally easier and from 1 to 5 cents lower. A crop summary issued by a leading northwestern authority reported condition in the growing wheat territory favorable, with black rust confined to sections that produce very little wheat. Although a concrete opinion can hardly be expressed at this time, it is likely that the demand from abroad will impart firmness to wheat temporarily. Corn—Early strength was of short duration and at the close lower prices were reached accompanied by rather severe liquidation of long contracts. Receipts were light at 13 cars but demand insufficient and cash values receded 1 to 2 cents. Weather conditions in all sections ideal for crop growth. Outside markets reported a sluggish demand for spot of springs. Nothing heard as to consignments of Argentine wheat at the seaboard but there was no interest shown here by eastern shipping interests. There are indications that arrivals from now on will fall off to a considerable extent an aggressive demand; the recent decline has created a situation where the market is in a position to respond readily to anything constructive and we look for a recovery from around this level.

**GERMAN STUDENTS SEEK REVENGE FOR FRENCH TREATMENT**

DRESDEN, July 14.—The German Students Congress here adopted resolutions threatening the French with a fearful future in revenge for the treatment German women are alleged to have received during the occupation of German territory by the French. Another resolution adopted by the congress urged that steps be taken "to stem the flood of foreigners who are overwhelming German universities." This resolution was directed against the influx of Russian and Galician Jews. Advice A film of the fiercest pattern was on the bill of fare at the local cinema. The beautiful fair-haired heroine had been duly bound and cast into a cage with a savage gorilla by the beetle-browed villain. The villain, by the way, was in search of revenge. "Oh, what shall I do? What shall I do?" cried the heroine, as she espied the untamed monster springing toward her. There was a hush among the audience and silence in the orchestra. "There is indeed a fateful moment. Then came the inevitable hint from the audience, breaking the magic spell: "Potch him a nut, miss!"—London Tit-Bits.

The southern batsmen leaned on every thing three different San Francisco pitchers offered, rolling up a total of 13 hits. The Seals made their lone run in the third inning when Love put the ball over the right field fence for a home run. Several from Columbia attended the Catholic Ladies social held at the auditorium Tuesday evening. Notwithstanding the date the Ladies Aid of the M. E. Church held a social, and the Eastern Star had a basket supper, all reporting good times both profitably and socially. Rev. Gallagher has closed the services as well as Sunday school in Columbia for the summer, opening again in September. The Neighborhood Club met at the home of Mrs. Walter Loyd Friday afternoon of last week, 28 ladies being present. A few were guests of the club but joined during the meeting, pleased with the good times which the club offers. Delightful refreshments were served by Mrs. Loyd assisted by her mother, Mrs. Reid. Arrangements were made for the painting of the Park fence which will take place on July 21st, no other than the ladies themselves doing the work. This will be the regular meeting day and it will be held at the school house. Arrangements are entirely completed for the big lawn social, to be held on the spacious lawn at the home of Mr. and Mrs. Henry Sommerers Friday evening, July 16. The refreshment committee is preparing for a large crowd. F. T. Baker, the DeLoe Light Man of Pendleton will have the lawn brilliantly illuminated by single and cluster lights hung from the trees, and giving the place a metropolitan air. No one should miss the big event and there will be lots of ice cream, cake and lemonade for everyone present.
