SHAMROCK IV WINS FIRST RACE OF 1920; DEFENDER RUNS AMUCK

Resolute Breaks Rigging as Lipton's Yacht, Shamrock IV, Passes by on Way to Victory; Challenger Must Win Two More.

SANDY HOOK, N. Y., July 16.—(A. P.)—Great Britain gained her first triumph in 49 years on the America's cup yesterday when Sir Thomas Lipton's challenger Shamrock IV, won the first race of the 1920 regatta after the defender, Resolute, had been forced out of the running by an accident to her rigging.

The challenger must win two more races out of a possible maximum of four if she is to achieve Sir Thomas Lipton's dream of taking the bottomless pewter trophy back to Britain. Resolute must win three out of four to retain the cup which has been in possession of the New York yacht club since 1851. The second race will start at noon Saturday.

Looked Like Defeat Shamrock IV's victory yesterday was won in the face of what seemed certain defeat. Resolute had taken the lead at the start and held until, as she swooped within half a mile of the turning mark, 15 miles from the start, her great area of canvas shivered and fluttered down her mast. A sudden gust had snapped her throat halyard and a second later the jaws of her gaff were shattered beyond repair.

Lipton Lets Boat Finish When the Resolute was seen to be in trouble a tug bearing Sir Thomas Lipton's colors drew swiftly up to the steam yacht Victoria, from which Sir Thomas was following the progress of his challenger. Many believed Sir Thomas was ordering Shamrock IV to fall to cross the finish line, making it no race.

A statement issued later said this was his initial impulse, but that he had been persuaded by his companions to permit Shamrock IV to finish, as it was felt that construction and sturdiness of the contender should be taken into account.

Many Crafts Follow Over Course More than 100 craft ranging in size from an ocean liner to powerboats, followed the contenders over the 30-mile course.

Shamrock IV was given a mighty ovation of screaming whistles as she

flashed across the line at 24 minutes, 26 seconds after 4 o'clock, having completed the course in four hours, 24 minutes and 48 seconds.

Summary First cup race, course fifteen miles to windward and return; wind southwest, light. Shamrock IV—Representing Royal Ulster Y. C.; started, 12:01:38; finished, 4:26:26; elapsed time, 5:25:12. Resolute—Representing New York Y. C.; started 12:00:49; disabled. The added weight of the rain caught by Resolute's sails was declared by yachtsmen to have been largely responsible for the accident. A novel feature was the appearance over the course of air and sea planes.

OLYMPIC ENTRIES MAY PASS STOCKHOLM' 3000 ANTWERP, July 16.—(A. P.)—Entries pouring in on the Olympic committees, although as not yet fully classified, indicate that Stockholm's total of 3,000 contestants may be exceeded, despite the absence of Germany and Austria from this year's game.

Advances received from Australia and South Africa show the British empire probably will have the largest representation.

France has 250 entries, the largest number from any single country. Four Australian and four New Zealand contestants are enroute to this city. Italy has asked for accommodations for 220 men.
