FINAL CLEAN-UP

Sale of All Spring and Summer Apparel For Women and Misses

BEGINNING TOMORROW, SATURDAY

We have determined to make this final clean-up an event which will clean our racks and give us ready money for our Fall Buying, and which will give you the most wonderful merchandise values. Soon we will be leaving for the Eastern markets to purchase our Fall and Winter goods. We cannot pay for them with merchandise in our shop. We must have the cash. Our entire stock has been gone over and every price has been cut to absolute bed rock, because we know low prices mean quick sales and that is what we want. Every garment in this sale is up to "The Thomas Shop Standard of Quality."
