NEW YORK, July 21.—While early developments in the coffee market were not so bearish as on the previous day, partly because of a special Santos cable reporting the market 50 to 150 reis higher, after the opening the later trading resulted in further demoralization which became rather acute near the close, leaving final prices at the bottom and 25 to 40 points under the previous night. A special Santos cable reported the market unchanged to 250 reis lower which furnished the basis for most of the late selling here. Firm offers were very weak. One shipper at Santos reduced his offers 7.50 and the cheapest threes and fours prompt shipment were 15c. American credit, Santos fours were also offered at 15 cents and Rio 7's as low as 11@11.10. While Santos fours and fives were quoted at 14 7-8 all American credits.

## BROTHERS STAR IN BIG LEAGUE

When the Cleveland Indians and the Washington Nats clash on the ball diamonds two brothers battle each other. Steve O'Neill is a star catcher for the Indians and Jimmie O'Neill shines at shortstop for the Nats. There is a strong family resemblance. Both are hitting over .300, and line drives are their specialty.
