DEATH OF MISS HAYES MOURNED BY FRIENDS

The following is from the Gillette (Montana) News, concerning the death of Mrs. Clementine Molitor Hayes, formerly of this city:

Last Sunday evening, July 11th, the people of Gillette were shocked to learn of the death of Mrs. T. Joseph Hayes.

Clementine Molitor was born in the Grand Duchy of Luxemburg in the year 1889. At the age of twelve years she was brought by her parents to America where they established a home at Pendleton, Oregon. Here she attended school and lived until May, 1917, when she came to Gillette and filed on a homestead near Rocky Butte, forty miles south of Gillette. Later she was employed as bookkeeper by the Gillette Commercial Company and was also for a time chief cerk in the office of Mr. Woods at the roundhouse.

In October, 1919, she was married to T. Joseph Hayes and continued to live in Gillette until the time of her death. She became a naturalized citizen of the United States before her marriage.

The death of Mrs. Hayes was both sad and noble in that she gave her life as a result of bringing into the world a little child. Among her immediate surviving relatives are her husband, T. Joseph Hayes; an infant son, aged four days; two sisters, Mrs. Frances Codd, of Spokane, Wash., and Mrs. M. Roden of Pendleton, Oregon, three brothers, Eugene and Leo Molitor of Pendleton, Oregon, and Adolph Molitor of Walla Walla, Wash. Her niece, Miss Mamie Roden, was here at the time of her death.

The mother of Mr. Hayes Mrs. Hayes of Denver, and his sister, Miss Helen, came up from Denver to attend the funeral which was held on Wednesday, July 14th, at St. Matthew's church, Father Nicholson presiding over the ceremony. Father Nicholson was also present at the time of Mrs. Hayes' death. Burial was in Mount Pisgah Cemetery. The ball pearers were John T. Ryan, R. R. Ryan, John Daly, Jr., B. S. Bullen, M. J. Hannum, and Mike Elmore. Friends of the family sent many beautiful flowers.

Mrs. Hayes made many warm friends during her residence in Gillette—friends who mourn her loss and who extend sympathy to the bereaved husband. She will beb greatly missed from our community. The little son will be cared for by Mr. Hayes' mother in Denver.

G. O. P. CAMPAIGN FUND IS DECLARED SHOCKING

COLUMBUS, O., July 21.—(A. P.)—Charges that the republicans were raising a campaign fund "sufficient to shock the sensibilities" were made last night by Governor Cox, democratic president candidate in an address to the Democratic national committee which perfected organization for the campaign.

The democrats, Governor Cox declared, will insist upon continuation of the senatorial investigation of campaign collections and expenditures and also will make frequent and detailed accountings of their finances. The democratic platform, he declared, is "a promissory note" which will be paid in full. He closed his address with a prediction for a November victory.

Too Young.

Mrs. de Style—Elsie worries me. She doesn't like to go to church at all.

Mr. de Style—Oh, don't mind that. She is too young to care much yet about dress and fashions.—Boston Transcript.

Beauty More Than Skin Deep

There is an old saying that beauty is only skin deep. That may be so with those who get their beauty out of a box but not the genuine sort. Beauty is really only another word for good health and no woman who is bilious and constipated can reasonably hope to be beautiful. Chamberlain's Tablets will correct these disorders, then with proper diet and exercise there is no reason why any young woman with regular features may not hope to be beautiful.

She Sets a Good Example.

"I keep a bottle of Chamberlain's Colic and Diarrhoea Remedy in the house at all times and have recommended it to many friends and acquaintances who have used it with good results" writes A. O. Newell, New Kensington, Pa. Should you not do like wise? Think of the pain and suffering that must be endured when medicine must be sent for.

Now Is the Time to Get Rid of Your Rheumatism.

If you are troubled with rheumatism get a bottle of Chamberlain's Liniment and use it according to the plain printed directions. You will be surprised at the quick relief which it affords. No internal treatment is required in cases of chronic or muscular rheumatism. All you need is to use this liniment freely.

FOLEY AND BURK SHOWS COME HERE NEXT WEEK

When the Foley and Burk Combined Shows open their exhibition in this city next week, the public will have an opportunity of verifying the claims of the management, that the organization is not only one of the largest of its kind, but the cleanest and best conducted as well. It is declared that there is not one of the score or more big novel attractions that can be criticised. The shows are not only moral, is the assertion but are conducted with the same regard and respect for those who demand courteous treatment as a well regulated department store, or any other commercial enterprise.

Foley and Burk has built up this monster aggregation from a modest beginning and if you ask them the secret of their success during the eleven years the show has been in existence they will tell you that they owe it to the public's appreciation of clean entertainment and equally clean business methods.

It is in order to state that Foley and Burk has eclipsed all former records in providing for the publics entertainment, novel and attractive features and this season the organization stands without a parallel in its particular field.

Among the innovations may be mentioned the famous two ring trained animal circus with over fifty sensational acts. Special features with this show are two schools of educated ponies; Alameda the tiniest horse in the world; monkey jockeys and trapeze performers; leaping and diving dogs; funny clowns for the children; Rastus, the Charlie Chaplin mule; Trixie, the posing equine; Yuma the fire fighting rescue horse—the most beautiful animal in the world.

Foley and Burk have a long line of distinct shows, each sumptously presented under its own mammoth canvas. Among these are, Adam and Eve, with their family—Adam is the largest boa-constrictor in captivity today; the dog and monkey hotel; Jolly Joe, the fattest man alive; monkey auto races; the big house, the circus side-show; a picturesque Hawaiian village; the latest word in thrilling riding devices.

The Foley and Burk Combined Shows will form the principal attraction at the mid-summer carnival given by the Central labor council. The show grounds are situated at East Webb and Clay streets. The shows open Tuesday evening July 27th.
