RESOLUTE WINS FAST RACE OVER THE BOAT SHAMROCK BY MARGIN

Resolute Won by Amount of Handicap of Seven Minutes and One Second; Fourth Race to Start Tomorrow.

SANDY HOOK, N. J., July 22.—(A. P.)—Resolute, defender of the America's yachting cup, came back yesterday after two losses and won magnificently over the British challenger Shamrock IV.

Shamrock finished a scant half boat length ahead, with a lead of 19 seconds, but as she had gained precisely that advantage at the start the race was—miraculously in yachting events—a heat over the 30-mile course. Resolute won by the amount of her handicap, seven minutes and one second. The fourth race of the series will be started tomorrow.

Veteran yachtsmen who followed the trim craft through the four hours, three minutes and six seconds of racing time, thought back over many years of racing without being able to conjure up a picture that could compare with yesterday's spectacle. It provided a finish that rivaled a neck and neck horse race.

Resolute had taken the lead early in her favorite 15-mile beat to windward and rounding the stake with about a quarter of a mile lead, slipped swiftly down the wind.

Shamrock's Spread Advantage
But Shamrock IV with her greater spread of canvas was not to be defied and slowly but steadily ate up the intervening distance until with little more than a mile to go, her bows reached, then slowly began to creep past the defender's stern.

A mile from the stake they were running neck and neck through fluffly little white caps turned up by the breeze.

Shamrock IV kept up the steady crawl ahead until at the half mile mark from the line she was nearly a full boat length ahead. Then Resolute caught a tiny extra puff of wind. She had got her bow about even with Shamrock's towering mast when the committee boat's whistle registered Shamrock's finish.

The little fleet of spectators' craft burst into a veritable bedlam of surging whistles and sirens as the contenders swept over the line.

The crews on both boats—25 on Resolute and forty on Shamrock IV—

including skippers and observers, had an easy time of it on the home stretch, with no sails to shift and they crouched aft, apparently "pulling" for their scoop to win.

When they had crossed the finish, both yachts hoisted the "C" flag that indicated unwillingness to race today and it was announced the next start would be Friday. Shamrock will be placed in drydock tomorrow, presumably for cleaning and polishing of her hull.

Lipton's Faith Unshaken
ON BOARD STEAM YACHT VICTORIA, July 22.—The confidence of Sir Thomas Lipton expressed following Tuesday's race, the Shamrock would lift the cup was not shaken by yesterday's result. He announced at the conclusion of the contest yesterday that "Shamrock was all right" and would be on the scratch again Friday after a day spent in drydock for cleaning.

"I can honestly say that I am not sorry Resolute won," Sir Thomas said. "It like a good fight. It was a beautiful race, a close finish and the winner deserved it. If I am fortunate enough to win it will make me very happy but the victory will be all the more enjoyable if my opponent has had a look in. I am just as confident that I will carry the cup with me on Shamrock as I ever was."

When the race was finished Sir Thomas brought the Victoria over to Resolute. Once alongside he called for and led "three enthusiastic cheers and a tiger" for the victors.

The response of Captain Adams and his men was no less hearty. Following the cheer for the victors, the Victoria pulled up alongside of Shamrock and gave a cheer for the challenger's crew.

The British crew came back strong with "are we down hearted? No!" Sir Thomas had no criticism for his yacht or for the crew in yesterday's race. Of the defender he said "Resolute is a good boat—the result today speaks for itself."

"Besides," he added, "the Yankees always build good boats."

During the entire race yesterday Sir Thomas occupied the bridge in company with Commander Jarvis of the Royal Canadian Yacht Club.

The keen finish appealed to him, he said.
