NOTHING BUT THE TRUTH

The merchant who tries to succeed in business by deceiving the public is living in the past and his business is doomed to an early death. This is the age of CONFIDENCE and SATISFACTION, and the capable merchant whose goods are intelligently selected and fairly priced has no need to over-estimate their quality, or to exaggerate values.

This store has only one claim to make upon your patronage—TRUTH. Our merchandise must be the best. It must always be perfect, in good variety and fairly priced. We shall always tell the truth in our advertising and over our counters; and trust we shall never have to show merchandise so lacking in merit as to require that more than the truth be told to make it seem attractive to our customers.

NO EXCHANGES, NO REFUNDS, NO CREDITS DURING THIS SALE.
