RAIN STOPS RACING AT GRAND CIRCUIT FRIDAY

NORTH RANDALL, Cleveland, O., Aug. 14.—(A. P.)—Rain late Friday caused postponement of the grand circuit racing after three races had been decided and Juno had won two of three heats in the leader purse, \$3000, for 2:08 pacers. The third heat is to be raced to decide money division.
The rain came after Faxonian had won the second and deciding heat of the News sweepstakes purse of \$2500 for 2-year-old trotters. Best time 2:10 1/2.
Another record went by the board when Juno, in stepping the first mile of the 2:08 pace in 2:02 1/2, set a record for the stake. Juno came from behind in both heats.

TEACH 'EM TO SWIM CAMPAIGN WILL BE LAUNCHED NEXT WEEK

Pendleton Y. M. C. A. Board Will Hold Instruction for Youngsters on Three Afternoons, Then Aquatic Tourney.

A campaign of "Teach 'em to Swim" will be launched next week by the Pendleton Y. M. C. A. board, under the direction of County Secretary Cash Wood. The board decided at a meeting Friday afternoon to hold instruction in swimming for youngsters between 2 and 4 p. m. on Monday, Tuesday and Wednesday of next week in the city natatorium.

Any boy who cannot swim and desires instruction may come to the natatorium during the hours specified next week and will be taught without cost how to swim. Mr. Wood is an expert swimmer and has instructed many classes heretofore. Boys up to 12 years of age are admitted in the afternoon free so the opportunity is given to teach all little fellows without cost.

There will be no instruction on Thursday afternoon, owing to the presence here of the circus. On Friday afternoon, however, there will be an aquatic afternoon, also under Mr. Wood's direction.

The aquatic afternoon will consist of races of various distances and with various strokes, both for juniors and seniors. There will be fancy diving contests, novelty races and other contests in the water. The entire afternoon will be devoted to the water sports and a lot of keen competition is expected to result.

The events of next week are a part of the plan of the local Y. M. C. A. to encourage and develop swimming and its allied sports. Any person is eligible to take part in the events of Friday.

CLEMENCY IS SOUGHT FOR YOUNG MURDERER

SACRAMENTO, Cal., Aug. 14.—(A. P.)—A drive has been started upon Governor William D. Stephens to persuade him to grant executive clemency to Roy Wolf, 17, sentenced to hang at San Quentin prison, Sept. 17, for the murder of Elmer Turner, a taxicab driver in Kern county, May 15, 1919.

Dozens of letters and petitions signed by scores of men and women have been received at the governor's office. Some of them are from states as far away as New York.
The appeals to commute the sentence to life imprisonment are based upon the youth of the slayer. He is declared to be the youngest person ever sentenced to hang in California. J. E. Dorsey, district attorney of Kern county, who prosecuted Wolf

is opposed to the sentence being commuted. He declares the murder was cold blooded, mercenary, wilful and deliberate.

SAN FRANCISCO, Cal., Aug. 14.—(A. P.)—North California's forest fire situation was described by the United States Forest Service headquarters here yesterday as being "as serious as at any time in the last three or four years. Telegrams received at headquarters from Northern counties said one fire fighter was drowned and declared four fires were burning uncontrolled.

RATIFICATION BACKERS OPTIMISTIC IN CAROLINA

RALEIGH, N. C., Aug. 14.—Ratification advocates held the advantage last night of the north Carolina fight over ratification of the federal suffrage amendment as a result of developments. These included a special message by Governor Bickett, urging ratification, and a favorable report on a ratification resolution by a senate committee. Although the victory of the suffrage supporters in committee appeared overwhelming—a vote of seven to one for a favorable report being recorded—the action merely marks the beginning of an expected bitter contest. The suffrage leaders were given new hope by the governor's plea, but his statement portended he was against the amendment served to bolster up antagonists.

OFFERS KISS TO PAY TAXI BILL

NEW YORK—Mrs. Diamond W. Brown has discovered that kisses were not "invented" to pay taxicab bills. She was hailed into court by Philip Grenfield, taxi driver, who said she refused to pay charges of \$5.20, but offered to kiss him and call the taxi bill square. "Twas her second offense so the judge gave her five days in the workhouse to think it over. Mrs. Brown gave her address as the Hotel Vanderbilt.
