BEAVER CREW SUFFERS SMEARING BY OAKLAND

PORTLAND, Aug. 21.—Oakland lapped the Beavers to all corners of the lot yesterday, starting on Pitcher Rutherford, and won, 11 to 2. Five runs were scored in the first inning off the Portland star and Glasier, who followed, was touched up for six more runs before the curtain. The Beavers dropped back to sixth place.

Angels Bunch Hits; Win.
LOS ANGELES, Aug. 21.—Los Angeles bunched its hits and defeated Sacramento, 4 to 1. Crawford made a home run in the eighth. Sacramento players in the ninth made the run which saved them from being shut out. Balls were ordered off the coaching line for mocking Umpire Anderson. The game was halted for five minutes at 3:50 while players and fans stood with bare heads as a tribute to Ray Chapman, Cleveland American, shortstop.

Scott Shuts Out Sacramento.
SAN FRANCISCO, Aug. 21.—Scott shut out Salt Lake, only one man reaching third base. San Francisco winning, 1 to 0. Krug and Johnson were ordered off the field in the

fourth for disputing Umpire Phyle's decision that Fitzgerald was safe stealing second. Fitzgerald was sent to the club house later for protesting Umpire Toman's ruling that he was out at the plate.

Rainiers Win in Ninth.
SEATTLE, Aug. 21.—Seattle won a hard fought game from the champions, 4 to 3. Eddington tied the score in the ninth inning after two were out by home-running over the right field fence. In the Seattle half, Bohne's triple with one out put the captain within scoring distance. Houck walked Murphy and Eldred purposely and Kenworthy forced Bohne at the plate. Cunningham, up next, won the game with a smashing single to center. The Rainiers pulled a triple steal in the first inning, Bohne stealing home. SPT.—UNITED. ETAOT NNN

WORLD RECORD HOLDER BESTED IN HORSE RACE

PHILADELPHIA, Aug. 21.—(A. P.)—The downfall of a world's record holder featured the grand circuit races Friday at Norbeth. The best Rifle Grenade, which hung up a new world's record for three-year-olds pacing geldings this season, could do in the three year-old race for the Holmes stake was to win the third heat in the slow time of 2:08 1/4, which was the best time. Prince June won the first two heats. Rifle Grenade was lame and the heavy track was not to his liking but he was a favorite with the big crowd and his defeat was a surprise.

Five races made up the card. Ben White on the mile and 100 yards dash with Guess Work in 2:20, the net prorate record taken by the winner being 2:12 1/4. The Hanover Hotel stake of \$2,500 went to Edna Early after Ethel Chime had won the first heat. This race was a procession until the half mile was reached and then a battle royal between Ethel Chimes and Edna Early to the wire in all three heats. Best time 2:08 3-4.

MAYS WILL BE CLEARED OF ANY OFFICIAL ACT

CLEVELAND, Aug. 21.—(A. P.)—No official action antagonistic to Carl Mays, the New York American League player who pitched the ball Monday which resulted in Ray Chapman's death, will be taken by President B. H. Johnson, of the American League. The case is ended as far as he is concerned, Johnson declared today.

"I could not conscientiously attempt to make any trouble for Mr. Mays," Johnson said. "But it is my honest belief Mr. Mays will never pitch again. From what I have learned he is greatly affected and may never be capable tempermentally of pitching again.

"Then I also know the feeling against him to be so bitter among the members of other teams that it would be inadvisable for him to attempt to pitch this year at any rate."

SPORTSMAN'S ESTATE HAS \$20,000 CELLAR

CHICAGO, Aug. 21.—(A. P.)—George Griffin, millionaire Chicago sportsman, who died recently in California, left an estate valued at \$1,500,000, including \$20,000 worth of liquor, it was learned yesterday, when an inventory was filed.

Griffin's estate recently presented a complex problem to Federal authorities here. It was known that he had a well-stocked wine cellar. His house was offered for sale and federal officers were asked to rule as to whether the liquor could be included in the sale and if not, if it could be moved. They decided neither could be sold.

The inventory listed fifteen kinds of wine in the cellar.

AMERICANS PREACH DRY DOCTRINE TO JAMAICANS

Kingston, Jamaica, Aug. 21.—American prohibitionists, aided by a good many like-intentioned persons in this island, are maintaining a strong and well sustained campaign to make Jamaica dry.

Rev. E. H. Curtis of Ohio, has just concluded a four months whirlwind fight for prohibition; and on leaving, gives it as his opinion that in ten years the sale of drink will be reduced to practically nil in this colony. He did not mince words at his last lecture in telling the men of the middle and upper classes here how disgusted he was at the general low standard of morality he had found amongst them.

Governor Probyn is in favor of restricted liquor selling, and there are many people in the island who are dry advocates. But there is plenty of money invested in the liquor industry, and they are preparing plans for a fight to the finish.

Professor Ralph E. Danforth, a professor of Zoology and Anatomy at Rutgers College, New Jersey, is in the island for a two months' study of its agricultural possibilities and the living conditions, from the social point of view. His investigations are with the object of proving that the tropics are the ideal home for northern races, and that they would live in the torrid zone under better conditions than in the temperate. The only drawback which he sees is malaria, which can be got over if tackled correctly. He is also a prohibitionist.
