Suggests That Lights Be Used.

Suggestion was made by a local booster today that the cluster lights on Main street, which are no longer illuminated at nights, be fitted out with globes for Round-Up season and utilized. His idea is that Main street, with all those lighting fixtures, could be turned into a "Great White War" and add considerably to the lively appearance of the city during the time when thousands are its guests.

Art to be Subject.

A meeting was held this afternoon at the high school for all those students interested in glee Cub and also in the new art course which is to be offered. Art will be taught as a subject this year which has not been a custom heretofore. Because of the great number that wish to take glee club two courses will be offered. One will consist of the history of music while the other will be the study of harmony. memany.
