I SUFFERED THREE YEARS

Finally was Restored to Health by Lydia E. Pinkham's Vegetable Compound.

Lowell, Mass.—"I was all run down and had an awful pain in my right side, was persistently constipated and had very dizzy spells. I suffered for three years and was perfectly miserable until a friend was telling me to try Lydia E. Pinkham's Vegetable Compound and I found it a wonderful medicine. I can now do twice as much work and I recommend the Vegetable Compound to other women. You can see these facts as a testimonial."—Mrs. M. FREALL BESSEY, 46 Chestnut St., Lowell, Mass.

Why women will continue to suffer so long is more than we can understand when they can find health in Lydia E. Pinkham's Vegetable Compound!

For forty years it has been the standard remedy for female ills, and has restored the health of thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, irregularities, etc.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

RUMLER IS SUSPENDED 5 YEARS FOR SCANDAL

SAN FRANCISCO, Aug. 31.—(A. P.)—William McCarthy, president of the Pacific Coast Baseball League, announced today that he had reconsidered the order suspending William Rumler, of the Salt Lake club for an indefinite period, and that he had substituted his previous order with one which provides that Rumler shall be suspended for five years.

McCarthy stated that he had telegraphed to P. W. Lane, president of the Salt Lake club, that Rumler's case had been re-opened, and that in a second telegram to Lane and Cupples McGrew and Anderson, he fixed the period of suspension at five years. This action, it was explained, was necessitated by the fact that under section 17 of the Pacific Coast League constitution, the president of the league is empowered only to suspend players or team managers for a definite period.

FIVE AFFIDAVITS TO SUPPORT PREJUDICE CLAIM ARE FILED

Father of One of Defendants Contends for Change of Venue for Prisoners Held for Murder of T. D. Taylor.

Five affidavits of prejudice to support their contention for a change of venue, were filed Monday afternoon by attorneys for Ertle D. Kerby, John L. Rathie, Irvin L. Stoop and Floyd Henderson, charged with the murder of Sheriff T. D. Taylor. The only affidavit from a disinterested person was that of S. A. Lowell, an attorney, of Pendleton.

L. H. Stoop, father of one of the defendants, filed the most exhaustive affidavit in support of the contention that his son should be given a trial elsewhere. Joseph J. Lavin, attorney for young Stoop and for Henderson, also filed an affidavit, in which he quoted an editorial from a local morning newspaper indicating prejudice.

P. M. Collier and Edward J. Clark, local attorneys appointed by the court to defend Kerby, alias Jim Owens, and Rathie, filed briefer arguments for the contention. Mr. Lowell went at considerable length to explain that he acted as a citizen and an officer of the court in filing the fifth affidavit. Other local persons who were asked to present similar assistance requested the attorneys to be excused.

The papers were presented just before the expiration of the time limit set by Judge G. W. Phelps when the defendants were called to plead on August 29. The state has asked to be given all of this week in which to prepare motions objecting to the motion of the defendants' attorneys.

Judge Phelps said this afternoon that he had taken no action on the motions and that no time had yet been set as a limit for the state to file its objections. District Attorney Keator already has busied himself with preparing data to combat the motions.

Two trains are being held outside the town, the crews fearing to take them through Willis branch the statement said. State police on the scene are attempting to quell disturbances and have arrested a miner said to have been seen firing.

LOS ANGELES VOTES ON WAR MEMORIAL

LOS ANGELES, Aug. 31.—Financing of two great civic projects, a war memorial auditorium and a coliseum, was being considered by Los Angeles citizens today, voting on a proposed \$5,000,000 bond issue.

The first of the two issues on the primary ballot calls for the erection of a memorial auditorium to cost \$4,100,000 and to contain 13,451 seats, or one for every Los Angeles man enlisting in the army or marine corps during the world war. The second project proposes erection of a Coliseum in Exposition park to cost \$900,000 and, to seat 75,000 persons to be used for entertainments and athletic contests.

The citizen's committee, backer of both projects, declared both will be passed by large majorities. "The war memorial auditorium will be the nation's greatest war memorial," Sylvester L. Weaver, chairman of the committee declared. "It will house headquarters for war veterans' organizations, civic community centers, and convention headquarters."

"The coliseum will be the world's largest amphitheater, and will provide a perfect place for staging the next Olympiad," Weaver said. Plans are already under way to bring the 1924 Olympic games to this city, he said.
