BIG LEAGUE PENNANT RACES TIGHTEN AGAIN AS END DRAWS CLOSE

Brooklyn Goes Into Tie for Lead in National Circuit as Boston Loses Two; Injury to Bodie May Cripple Yankees.

NEW YORK, Sept. 9.—(A. P.)—The pennant races in the National and American leagues tightened up another notch as a result of Wednesday's games.

In the senior circuit, the Cincinnati Reds, who are setting the pace, were idle, while Brooklyn, in second place, defeated Philadelphia and New York in third place, won two games from Boston.

The Superbas' victory over the Braves enabled New York to gain four points on Brooklyn and seven on Cincinnati and Brooklyn.

Cincinnati in the National League and New York in the American have the hardest work cut out for them among the contenders. The real test for the Reds will come next week, when Manager Moran's team will face the Superbas in Brooklyn for three games and then come to New York for four games with the Giants.

The Yankees also will be obliged to meet their nearest competitors—Cleveland and Chicago—on foreign soil. The New York team will start under a decided disadvantage because of the accident to Ping Bodie, who fractured his right ankle in the exhibition game at Pittsburgh and because the Yankee owners have decided not to use Pitcher Carl Mays in the Cleveland series.

Duffy Lewis, the regular left fielder, has not entirely recovered from an injury to his leg. It is believed that Sam Vick, utility outfielder, will be pressed into active service to take Bodie's place.

Cleveland and New York did not play Wednesday in the American League; Chicago defeated St. Louis and thereby gained three points on the first and second teams. As a result there are only 11 points between Cleveland, in first place, and Chicago in third place. The Indians have a half game lead over the Yankees and the latter have the same advantage over the White Sox. The final inter-sectional series of the season opens in both leagues Thursday.

TITLE HOLDER DEFEATED DEL MONTE, Calif., Sept. 9.—(A. P.)—

(P.)—Startling upsets marked the first round play over 36 holes in the California gold championship tournament at the Pebble Beach course Wednesday. The most surprising was the defeat of Jack Neville, title holder, at the hands of Scotty Chisholm of Los Angeles. The score was 1 up. No north-western players participated.

FEDERAL SEASON FOR MIGRATORY BIRDS TO PREVAIL, JACK SAYS

Ducks and Geese May Be Shot Beginning Sept. 16 and Ending Dec. 31, State Decides After Protest From This Section.

Federal laws regulating the season for migratory birds will prevail this year and ducks may be shot between September 16 and December 31, Marion Jack, member of the state fish and game commission, said last night. The state law, which opened and closed the season 15 days later, will be shelved for the federal act, the commission decided at its recent meeting in Portland.

Sportsmen in this section have been campaigning for months in an effort to get the state in line in this matter. With ducks very plentiful in the lower river region now, hunters were uneasy lest they should be prevented from shooting until October 1. The decision of the commission to let the federal season hold sway was greeted with complete satisfaction here.

With Round-Up as a distraction during the final week in this month, hunters still have time between opening day and the show to get a bag of ducks. After Round-Up they prepare for the pheasant season, which opens the first Sunday in October and ends the following Sunday. Under the state law, sportsmen figure that no ducks would be hunted earlier than October 15.

Winter weather sets in usually early in December so that little duck hunting is done during that month and the state season extending to January 15 would be about half useless, they pointed out. The federal season in all respects is more satisfactory, they say.
