POLE SNAPS; LINEMAN DIES
 Seattle, Sept. 13.—(A. P.)—Barney Sheldon, 40, a lineman, was instantly killed here yesterday when a telephone pole on which he was working snapped and threw him 30 feet to the ground.

CARRIED RECORD MAIL

WASHINGTON—Alexander M. Holmes is still carrying mail at Washington. He's the oldest carrier both in age and in point of service at the national capital. At the age of 70, he'll retire next month after having walked in covering his route a distance equal, it is estimated, to four and one-half times around the earth, and after carrying 6,000,000 pieces of mail!

Beauty More Than Skin Deep
 There is an old saying that beauty is only skin deep. That may be so with those who get their beauty out of a box but not the genuine sort. Beauty is really only another word for good health and no woman who is bilious and constipated can reasonably hope to be beautiful. Chamberlain's Tablets will correct these disorders, then with proper diet and exercise there is no reason why any young woman with regular features may not hope to be beautiful.

She Sets a Good Example.
 "I keep a bottle of Chamberlain's Colic and Diarrhoea Remedy in the house at all times and have recommended it to many friends and acquaintances who have used it with good results" writes A. O. Newell, New Kensington, Pa. Should you not do like wise? Think of the pain and suffering that must be endured when medicine must be sent for.

Now is the Time to Get Rid of Your Rheumatism.
 If you are troubled with rheumatism get a bottle of Chamberlain's Liniment and use it according to the plain printed directions. You will be surprised at the quick relief which it affords. No internal treatment is required in cases of chronic or muscular rheumatism. All you need is to use 'his Liniment freely.
