### School Board to Meet

The first session of the Pendleton school board since the opening of the fall term will be held in the offices of Bickers & Friedly this evening. A program of routine business is in store.

### Paul Maris Appointed

Paul V. Maris, director of O. A. C. extension and well known in Pendleton, has been appointed a director of the Pacific Cooperative Poultry Producers. He has accepted the appointment as an opportunity to further the important poultry industry of the state.

### Old Sidewalk Being Removed

The old wooden sidewalk in front of the Falling building on Main street, was torn up today, preparatory to the laying there of a cement sidewalk. The property is now owned by the Christian Science Church and the owners recently agreed to make the improvement, asked for by the civic committee of the Women's Club of the city.

### Hail Falls at Myrick

Possible damage to standing grain is reported as a result of a hail shower which was experienced Sunday in the vicinity of Myrick station. The shower was quite heavy, according to reports, and as there is still quite a bit of grain not harvested, there is fear of damage expressed. Large quantities of water were flowing down the Middle and South Cold Spring canyons this morning as a result of the heavy downpour.

### Attends Field Day.

B. W. Fletcher, of The P. Warehouse, was among those who attended the Field Day at the Herndon Experiment station on Saturday.

### A. H. Rudd to Echo.

A. H. Rudd left this morning for Echo, where he will be in charge of some bridge work for the state highway commission. Mr. Rudd has been at the Pendleton highway office for some months.

### Doves Being Shot.

Several nimrods from this city have been out lately shooting doves. The season on which opened September 1. The limit for a day is 10 birds. Dove mulligans are reported by some of the hunters to be quite a delicacy.

### Frequent Showers Forecast.

Frequent showers over the northern portion of the Pacific coast states are predicted for this week in the official forecast of the U. S. weather bureau. Temperatures will be normal, the forecast says.

### Returns to Duncan School

Miss Juanita Friedly, of this city, left yesterday for Duncan where she will teach during the coming year. Her school opened this morning. Year before last and in 1917-1918 Miss Friedly taught at Duncan but last year was at Cold Springs.

### Returns from Study.

Dr. and Mrs. R. E. Brundage and daughter returned this morning by motor from Portland where Dr. Brundage spent the past two weeks taking post graduate work in chiropractic. He has reopened his offices here.

### May Leave for East

Rex Ellis, local automobile dealer, may leave for his former home in Muscatine, Iowa, on No. 18 this evening. He received word last night of the serious illness of his mother and probably will go to her bedside unless word comes today that she is recovering.

### Jewish Holiday Today.

Orthodox Jews today are observing the festival of Rosh Hashanah, corresponding to the first of the New Year holidays, the holidays having been begun at sundown last evening. For the next ten days a series of holidays is observed, ending with the solemn fast of Yom Kippur on Sept. 22.

### Hunters Get Two Bucks

R. J. Cresswell, Claude Martin and A. H. Schluter returned on Sunday from a deer hunt north of Kamela which netted them two fine buck deer. Both the animals were of good size and had several points. This is the first party reported here this season to have bagged two deer on one expedition. One set of horns has been presented by Mr. Cresswell to his father-in-law, Henry J. Taylor.

### Heavy Rain Falls

A rain which began at noon today continued during the afternoon and totaled .64 inches. The rain Sunday night and yesterday totaled .44 inches, says Major Lee Moorhouse, official weather observer. The maximum today is 58 with a minimum of 49. The barometer, which is down to 29.25, is lower than it has been for some time. The continued cold weather prevents farmers from completing the harvest.

### New Rates Interstate Only.

New press rates on telegraph messages which went into effect Sept. 1 on the lines of the Western Union Co. apply only to interstate business, according to word received at the local office. Until notified otherwise, the rates for intrastate press messages will be as before. No explanation of the difference has been received. Meanwhile service between Portland and Pendleton on press wires does not feel the advance, but beyond, into Washington or Idaho, the rates apply.

### Gas Superintendent Here.

R. J. Jenks of Lewiston, Idaho, gas superintendent for the Pacific Power & Light Co., arrived yesterday morning to assist Dr. F. W. Vincent, local manager, in removing the difficulties of the local gas system. A close survey of the system is being made and improved service is already being reported, Dr. Vincent says. A seven-inch pressure was put on the large holder and five-inch pressure on the smaller holder Sunday and 76,000 cubic feet of gas produced.

### Duck Season Open Thursday.

The federal season for shooting ducks opens 20 minutes before sunrise Thursday morning and inasmuch as the state has made decision not to interfere with the federal dates, hunters will feel free to open the season at that time. Ducks are reported to be numerous on the lower Umatilla and good shooting is predicted. Local sportsmen have agreed that they will do no shooting below the dead line near Hermiston in the interest of protecting the nesting place of the birds and will frown on any who overstep the mark. There is no provision made to enforce this deadline except the spirit of sportsmanship of the hunters, the local men say, and they have taken the stand for good sportsmanship.

### Dramatic Club Elects

Miss Lois Swagart was elected president of the high school dramatic club at its first meeting, held this morning. Ivan Houser was elected vice-president, Thelma Blanchette secretary and Dick Lawrence property manager. Because of the large number of students who registered for the course there will be two classes, an advanced class and a beginning class, but all will be under the direction of the club officers and instructors. A monthly meeting of the club will be held each month but the classes will

Loss of Vitality is loss of the principle of life, and is early indicated by falling appetite and diminishing strength and endurance. Hood's Sarsaparilla is the greatest vitality—it acts on all the organs and functions, and builds up the whole system.
