### WEST END HAY RAISERS WILL FORM ASSOCIATION

Plans for the organization of an Alfalfa Hay Growers Association were made Saturday in Hermiston when Don Campbell, Clinton Jackson and C. E. Baker, of Hermiston and W. A. Cobb, of Boardman, met with Fred Pennon, Umatilla county agent and L. A. Hunt, Morrow county agent. Tentative plans for the organization were made, and tomorrow growers of Stanfield, Irrigon, Buttercreek, Echo and Umatilla will meet in Hermiston to draft the constitution and by-laws.

The organization, which will not be a marketing one, will be formed for the purpose of reducing the cost of production, and for securing better cooperation between balers and growers. Later a marketing organization may be effected.

A tentative wage scale agreed upon, is as follows: Man, 50 cents an hour; man and team, 85 cents an hour; mower, \$2 a day; stockers for sheds or wagons, 60 cents an hour; stockers for buck racks, 70 cents an hour; hay baling, \$3.75 a day.
