ALTA TODAY

GAY, BRIGHT LIGHT STORY OF CITIES ALL AROUND THE WORLD

There's a string of gay, bright lights in every great city that encircles the globe. In "The Yellow Typhoon" these lights are all around the world. They stretch from New York to London, Paris, Rome, Monte Carlo, Berlin, Shanghai, China, Manila and back to New York again.

This remarkable story, starring Anita Stewart in a dual role, is Harold MacGrath's greatest adventure tale, a First National attraction which will be shown at the Alta Theatre tomorrow.

Story of Two Sisters

It is the story of two sisters, one selfish, self centered, who is willing to sell her own soul for the pleasures of life, a woman intelligent, but heartless and ruthless, who leaves a wake of woe and ruin in her path, willing to do anything to satisfy her lust of pleasure and excitement; the other fighting her own sister for her country and home.

The picture carries you into every vicissitude of life, the simple home, the party and sweetness of people of fine ideals and it carries you through the world thought brilliant life of those who live only for pleasure and excitement.

PASTIME TODAY

The remarkable are of Will Rogers, both as a comedian and as the purveyor of pathos, is once more regaled on the screen in his newest Goldwyn Picture, "Water, Water Everywhere." In this pleasurable story of William R. Lighton's series of "Billy Portin" stories which appeared in the Saturday Evening Post, Will Rogers has the role of a western cowboy bent on sacrificing himself so that his friend and the girl that he himself loves in vain may find the happiness that is denied him.

The humorous background of the story centers about the attempts of a temperance society to banish liquor from the town. In the course of the story, the town saloon becomes a soda water parlor, and the men stay away from their homes—as usual to congregate there and swap stories. However, Will Rogers succeeds in his attempt to reform his rival, and then resigns to step aside to permit him to wed the girl he loves.

A small but excellent cast supports the star. Among the cast are Irene Rich, Howard Lee, Wade Boteler, Marguerite Livingston, Lillian Langdon and Lydia Yeamans Titus.

"Water, Water Everywhere" will be shown at the Casino Theatre, tomorrow. It is a picture that will make one better for seeing it.

Escaped an Operation

There is nothing in the world a woman so much fears as a surgical operation. Often they are necessary, but often not; and many have been avoided by the timely use of that good old-fashioned root and herb remedy Lydia E. Pinkham's Vegetable Compound. If you are suffering from some dread ailment peculiar to your sex, why not profit by the experience of these two women whose letters follow?

These Two Women Saved from Operations.

Cedar Rapids, Ia.—"After the birth of my last child I had such pain I spells they would untill me entirely for my housework. I suffered for months and the doctor said that my trouble was organic and I would have to have an operation. That was an awful thing to me, with a young baby and four other children, so one day I thought of Lydia E. Pinkham's Vegetable Compound and how it had helped 1 1/2 years before and I decided to try it again. I took five bottles of Vegetable Compound and used Lydia E. Pinkham's Sanative Wash and since then I have been a well woman, able to take care of my house and family without any trouble or a day's pain. I am ready and thankful to swear by your medicine any time. I am forty-four years old and have not had a day's illness of any kind for three years."

Sandusky, Ohio.—"After the birth of my baby I had organic trouble. My doctor said it was caused by too heavy lifting and I would have to have an operation. I would not consent to an operation and let it go for over a year, having my sister do my work for me as I was not able to walk. One day my aunt came to see me and told me about your medicine—said it cured her of the same thing. I took Lydia E. Pinkham's Vegetable Compound and used Lydia E. Pinkham's Sanative Wash and they have cured me. Now I do my own housework, washing and ironing and sewing for my family and also do sewing for other people. I still take a bottle of Vegetable Compound every spring for a tonic. I recommend your medicine to others who have troubles similar to mine and you can use my letter if you wish."

Mrs. H. KOENIG, 617 Ellis Blvd., Cedar Rapids, Iowa.

Mrs. PAUL PAFENBERG, 1325 Stone St., Sandusky, Ohio.

FRANCE WOULD NOT AID IN SETTLEMENT

AIN LES BAINS, Sept. 12.—(A. P.)—To the Associated Press last night M. Millerand said he had reiterated to Signor Giolitti that France did not wish in any way to interfere in the Adriatic question, but that he hoped Italy and the jugo-slavs would reach an understanding by direct negotiations.

The premiers agreed to recommend moderation to Poland in her victory in order that peace might prevail at the earliest date possible. But they are not sure that the bolsheviks were desirous for an early peace.

The relations of the entente with the bolsheviks also were discussed without developing and great difference in policy.

M. Millerand was skeptical of the possibilities of drawing anything out of Russia by an economic accord.
