NECK AND NECK RACE FOR TITLE CONTINUES IN AMERICAN LEAGUE

Cleveland and Chicago Both Win on Monday and Indians Hold Margin of Half Game Over Last Year's Champs.

ST. LOUIS, Sept. 28.—(A. P.)—Cleveland continued its drive for the American league pennant Monday, defeating St. Louis, 5 to 4, and retaining the half game lead on Chicago in the face of the latter's victory over Detroit.

Malls held St. Louis at his mercy except in two innings when seven hits were bunched for four runs. It was his sixth straight win.

Slater drove in three runs and scored the other, his three hits bringing his season's total to 248, tying the American league record made by Ty Cobb in 1911. Manager speaker was presented with a floral horseshoe by local admirers in his first time at bat.

Kerr Shuts Out Detroit. CHICAGO, Sept. 28.—(A. P.)—With "Little Dick" Kerr pitching masterly ball, the Chicago White Sox continued their victorious march in the American League pennant race, defeating Detroit 2 to 0 Monday in the final contest of the season here.

Dauss also pitched splendid ball, allowing only one hit up to the sixth inning. After he had hit Weaver in the sixth, however, Eddie Collins and Joe Jackson knocked out long singles, which, coupled with a poor return by Cobb, produced Chicago's only runs.

Ayers relieved Dauss in the eighth, after Hale, a pinch hitter, struck out for him. Outside of the sixth inning only one Chicago player reached third base. The game was unusually fast, being finished in one hour and 15 minutes.

Giants Lose Last Chance. NEW YORK, Sept. 28.—(A. P.)—New York was put out of the National league pennant race Monday when Boston won the second game of a double header, 3 to 2. The Giants won the first contest, 2 to 1. Boncker's homer into left field beaches in the ninth gave Boston its victory after New York had tied the score in the eighth on Frisch's homer. Townsend and Pierocci pitched good ball for the Braves.

New York took the opener by bunching two of its four hits in the fourth. These with two infielders' choices and Maranville's error, gave two runs. After this inning not a hit was made off Townsend. Nehf kept the visitors' hits scattered. Ryan who pitched the second game for New York, was hit hard in the late innings.

BASEBALL PROBE WILL BE TAKEN UP TODAY

CHICAGO, Sept. 28.—The Cook county grand jury will resume its investigations of baseball gambling and alleged game "throwing" today with a woman subpoenaed to testify. In addition, half a dozen of the leaders in professional baseball have been summoned to appear.

Mrs. Henrietta D. Kelley, whose identity has been kept secret for several days, will testify. She is expected to tell of conversations she heard between Chicago American players, Eddie Cicotte, Ray Schalk, Manager William Gleason, John Collins and others who formerly boarded with her.

President John Heydler of the National league, Gleason and President B. B. Johnson of the American league, are expected to testify today. Later Garry Herrmann, president of the Cincinnati club and former chair-

man of the national commission; Hughie Jennings, manager of the Detroit club; John McGraw of the New York National team, and several others will appear. Herrmann sent word last night that he would be here Friday and Jennings said he was ready to appear any time.

Reports that "Buck" Weaver and Fred McMullin, Chicago players, whose names are said to have been mentioned by witnesses before the jury, had been refused a hearing, were denied last night by Prosecutor Hartley Replogle.

"We have barred no one," he said. Mr. Replogle also denied reports that every major league team had been implicated in gambling and throwing of games in evidence already given the jury.

"There are only one or two teams implicated thus far and just a few players," he said.

WINNER IN AMERICAN LEAGUE WINS OPENER FOR WORLD'S SERIES

Toss Decides Where First Games Are to be Played and in Case of Tie for Pennant Where Teams Play Off.

NEW YORK, Sept. 28.—(A. P.)—The national commission, in an all-day session yesterday arranged the schedule for the world's series, held some secret conferences and adjourned.

The American league won the toss for the opening of the world series and the first three games will be played October 5, 6 and 7 in the American league city winning the pennant. The "toss" then will improve to Brooklyn which yesterday won the National league pennant, for four games, October 9, 10, 11 and 12, returning to the American league city for a single game October 14. Another game, if needed, will be played in Brooklyn, October 16, making nine in all.

A three-game series between Chicago and Cleveland in case of a tie for the pennant was arranged, one game in Cleveland, one in Chicago and the third on neutral ground.

Cleveland Erecting Stands. CLEVELAND, Sept. 28.—(A. P.)—Erection of temporary stands to seat 6,500 persons will start at League park today. James C. Dunn, president of the Cleveland baseball club, announced last night. Mr. Dunn declared he was preparing to accommodate as large a crowd as possible, in anticipation of his team winning the American League pennant.

"It is a gamble with me," Mr. Dunn explained, "but inasmuch as stands cannot be completed in less than seven days, I could not afford to wait until the winner of the flag is decided."

Mr. Dunn left last night for Chicago to request the national baseball commission to postpone the opening game of the world's series until October 7.

The stands will cost approximately \$15,000 and will make the capacity of the park about 27,000.
