Four Teams Play Basketball.

The girl's basketball practice began at the high school yesterday evening with four teams out for the first practice of the season. Miss Eva Hanson is in charge and was pleased with the first workout. The girls will practice three times a week. Within a short time it is planned to begin the interclass games. No teams will be chosen or games scheduled until after these returns.

Stolen Car Returned Conrad Miller, of Yakima, arrived here this morning to take possession of an Oakland car, belonging to him, of an Oakland car, belonging to him, which was stolen at Yakima Sept. 11. The machine, deserted, was found beside the road near Riverside after Round-Up, by Traffic Officer W. H. Lyday, and two association bucking saddles, also stolen, were found cashed in the grass beside the road. The saddles have also been returned to the Round-Up association, their owner.

Acreage to Be Doubled.

Practically all the good Turkey Red seed grown in this county this year will be replanted this fall, according to present indications, says Fred Bennion, county agent. All the certified seed grown by farmers who secured their original supply through the farm bureau from Wasco county that year has been disposed of. A considerable quantity of other good Turkey seed which was not field in spected has been distributed. A carload of certified seed from Sherman county will be shipped to Pilot Rock and distributed among farmers of that vicinity. Mr. Bennion states that there is no question but what Turkey Red is much the best variety for that part of the country where the rainfall is less than it is north and east of Pendleton and where the soil is either light or not very deep. Among the boosters for Turkey Red are George Coppinger, C. A. Moll, Shumway & Krause, J. F. Fisher, Chas. Dallats, W. A. Slusher and B. F. Trombley. In a good year White Hybrid may beat the Turkey Red but year in and year out Turkey Red but year in and ye
