IN a growing family the subject of thought with the parents is how to keep the children healthy and happy, and what to do when they become ill. Most illnesses of childhood are the symptoms of constipation, such as headaches, coated tongues, flatulence, dizziness, loss of appetite and sleep, biliousness, etc.

You can surely feel safe in doing what tens of thousands of others do with good results, so give, according to the age of the child, a small quantity of Dr. Caldwell's Syrup Pepsin. Eight million bottles were bought last year at drug stores. It is America's favorite family remedy for constipation, indigestion and similar ills, and is especially suitable for children, women and old folks as it is so mild and gentle in action.

There is no secret about Dr. Caldwell's Syrup Pepsin. It is a combination of Egyptian Senna and other simple laxative herbs with Pepsin and pleasant tasting aromatics. Druggists have sold it for thirty years, and a sixty cent bottle will last for months. Experienced mothers are never without it in the house.

A Plain Statement

Behind every business there must be a definite policy to make that business successful. And in those days of uncertain values it is well for the buyer to turn to an institution that has a clear conception of its responsibilities to the buying public.

Our prices always welcome comparison. Each price is marked in plain figures and that figure is the lowest compatible with reliable quality.

Misstatement or exaggeration has no place where quality is of the highest and prices are low. We shall endeavor to always maintain that policy.

BUY HER A BRAND NEW Thor ELECTRIC WASHER

Special Terms—Special Price DURING OCTOBER

The Thor has the sanitary wooden cylinder which is self-cleanable.

Everybody Wants a "THOR"

—Because it washes without injury. Its strong, seasoned maple cylinder—long recognized as the fastest and most thorough cleansing method—gently lifts the heaviest or daintiest garments up out of the water, then drops them back again into the hot foamy suds. The most stubborn dirt cannot long resist this agitation; and in a few minutes every garment is delightfully clean—without a suggestion of wear.

—Because it is easy to Operate. Many women have "imagined" that the Thor is complicated and that it requires someone with unusual skill and mechanical ability to manipulate. This is not true of the Thor. No woman complains of difficulty in running her sewing machine yet the Thor is not half so difficult to manage as any sewing machine. An inspection will convince you.

We urge you to place your order NOW—Lest something unforeseen comes up.
