Hand and Tongue

"Being handy with the hands is better than being handy with the tongue."-Painless Parker.

People should be judged by what they do rather than by what they say. A dentist's hands and the way he uses them are what make his dentistry good or bad. Tongue-dentistry is unre-liable.

E. R. Parker System dentists have skillfully treated over a million patients in 28 years. Their hands have been busy do-ing good work. If your teeth are bothering you, come in and have them examined free.
