LONDON, Oct. 19.—(By Web) Miller, U. P. Staff Correspondent.)—The British parliament went directly to the coal strike problem when it convened for its fall session today. Sr Robert Horne, president of the board of trade put the case before parliament in a speech reviewing the negotiations with miner's leaders on their wage demands.

The first cold weather of the year The first cold weather of the year struck England today, emphasizing the possibilities of suffering due to the strike. Premier Lloyd George is said to have promised the mayors of Lon-den boroughs that he would propose a solution for the unemployed at the first opportunity. Weather and the rists opportunity. Weather and the rists opportunity. Weather and the rists property in Whitehall and Downing setects are expected to force the question to the front in connection with the coal strike.

Miners Stage Parade LONDON, Oct. 19.--(U. P.)--The strike disturbances in the coal region were reported from Tondy and Pandy, mining centers in Wales today. Large bodies of miners gathered in both cities about midnight singing. 'The Red Flag.' as they marched about the dim streets.
