BIG LEAGUE BASEBALL MAGNATES MAY SCRAP NATIONAL AGREEMENT

Heads of 11 Clubs Favor Plan of Organization Proposed by Lasker; Ben Johnson and Five American Clubs Absent.

CHICAGO, Oct. 19.—(A. P.)—Representatives of every National league baseball club and three American league clubs last night went on record as favoring abrogation of the national agreement between professional baseball with the national commission abolished and a civilian tribunal of three men not finally interested in the game in complete control.

American League Head Absent. Club owners at the meeting said that if President Johnson of the American league and the five club owners who have always sided with him in baseball discussions, did not care to join with the other club owners in the proposed reorganization, they probably would "go ahead without Mr. Johnson."

President Depper of the National league said the men present felt that Johnson and the others absent had given them a "decided snub."

World's Series Fixing on Probe. CHICAGO, Oct. 19.—The Cook county grand jury investigating the baseball scandal does not expect further testimony implicating major league players in gambling and game "throwing," but will devote its future sessions to securing evidence against the men who are alleged to have "fixed" the 1919 world series by bribing Chicago American league players to lose games to the Cincinnati National league team, according to a statement last night by Hatley Replige, prosecutor in charge of the inquiry.

GYMNASIUM CLASSES WILL BE STARTED THIS EVENING

Gymnasium classes for bus-inesmen will be started tonight at 7:45 by the Pendleton Athletic Club in the club gym, Court and Garden streets. Dick Hanley, high school athletic director, will be in charge. The classes will meet twice a week, on Tuesday and Thursday. Any who desire to see the nature of the work may visit the gym this evening. President Rex Ellis said today.

FRIDAY AND SATURDAY LOOM LARGE ON SPORT CALENDAR HEREBABOUTS

Pendleton and Hood River Meet on Local Field and Wa-Hi is Host to North Central of Spokane at Walla Walla.

Two football games this week-end in interscholastic circles will hold the stage for Pendleton fans. On Friday, Pendleton high school meets Hood River's squad on Round-Up park, while on Saturday the annual classic between Walla Walla and North Central of Spokane, will be played at Walla Walla.

The Friday contest will be a test between a team coached by last year's local coach and this year's team, under Dick Hanley, Earl Fleischmann, who piloted the Pendleton boys last fall, is in charge of the apple country eleven and his is one team the local boys want to send home on the short end of the score. His outfit held The Dalles to a 14 to 7 score recently and Phil Steers was coaching The Dalles at that time.

Hanley says his lunch is in no shape to play a hard football game, on account of the casualties sustained against Touchet last Thursday. Stendal was lost to the squad for the season and Davis probably cannot take his place at left half by Friday. Myron Hanley did not help his weak ankle a bit in the Touchet game but will be in the lineup nevertheless. Some new backfield material probably will be in action on Friday.

One of the bright spots in the gloom at the high school is the improvement shown by Jens Tergeson, captain and fullback. The big boy improved 100 per cent between the Pasco and Touchet games and his ground work last Thursday has been the subject of considerable comment. Local critics say he has the makings of a good college football man.

The game at Walla Walla Saturday will attract quite a number of old Spokane men from here. Both Coach Hanley and his brother played with the maroon and black and will probably be on hand to cheer the alma mater. The Walla Walla eleven is a powerful scoring machine and the game is expected to be the classic of the season in the neighboring town.

EXTENSION COURSE TO BE GIVEN BOARDMAN

(East Oregonian Special.) BOARDMAN, Oct. 19.—Word has been received from L. A. Hunt, county agent, that plans are on foot for a January O. A. C. extension school petitioned for by the local Farm Bureau. A Halloween program is to be given by the school Oct. 30th to raise funds to buy pictures for the school. Mrs. Lena Small Shurtz, county school superintendent has sent in \$1 as her contribution to the fund.

Plans for an Armistice Day community program are under way. A local committee has been appointed to arrange for the musical and literary features, and all soldiers and sailors will be asked to participate. Lieut. Walter Givens, of Kent, Oregon, has been secured as speaker of the day.

The teachers of the Boardman schools visited Pendleton schools on Tuesday and will continue in that city in attendance at the Morrow-Umatilla institute Wednesday, Thursday and Friday.

CONVICTION OF 39 UPHELD SAN FRANCISCO, Oct. 19.—(A. P.)—The federal circuit court of appeals has upheld the conviction of 39 Sacramento industrial workers of the world for conspiracy to violate the draft and espionage acts.

"I smiled and he shot me"

AFTER MONTHS and months, MY WIFE persuaded me. TO HAVE it done. SO I went around. TO THE photographer. AND GOT mugged. WHEN THE pictures came. I SHOWED them to a gang. OF AMATEUR art critics. AND PROFESSIONAL crabs. DISGUISED AS friends. WHO FAVORED me. WITH SUCH remarks as. "DOESN'T HE look na, ara?" "HAS IT got a tail?" "A GREAT resemblance." AND THAT last one. MADE ME sore. SO WHEN friend wife.

ADDED HER howl. I TRIED again. THIS TIME they were great. FOR HERE's what happened. THE PHOTOGRAPHER said. "LOOK THIS way, please." AND HELD up something. AS HE pushed the button. AND NO one could help. BUT LOOK pleasant. FOR WHAT he held up. WAS A nice full pack. OF THE cigarettes. THAT SATISFY.

LIGHT up a Chesterfield and sense the goodness of those fine Turkish and Domestic tobaccos in that wonderful Chesterfield blend. Taste that flavor! Sniff that aroma! You'll register "They Satisfy." You can't help it.

CHAMPIONS SUDDENLY GROW DEAF AS BOUTS FOR TITLES BOB UP

Tex Rickard Cays Boxers Show No Inclination to Step in and Take Chances on Decision Bout Under Walker Law

BY HENRY L. FARRELL. (United Press Staff Correspondent.) NEW YORK, Oct. 19.—The right of Pete Herman, Johnny Kilbane, Benny Leonard and Johnny Wilson to their championship crowns may be disputed, but Tex Rickard, New York promoter, is willing to concede them all as the best champions the world has ever seen at "ducking bouts."

in a class heavier than their title. While some excellent bouts have been staged under the New York laws and while there is little doubt that the future will see many just as good, it is a fact that the champions will have to be coaxed a great deal to step into a ring with their crown at stake on a decision since they can go across the river in New Jersey and fight a twelve-round no-decision fight and get almost as much money.

VALIDITY SUIT DEFERRED WASHINGTON, Oct. 19.—(U. P.)—The supreme court refused an advance for a case brought by Charles F. Bell, who is attacking the validity of the federal woman suffrage amendment.

Richard, who, as the manager of Madison Square garden, has become the foremost of American promoters, has found it almost impossible to induce any of the champions outside of Jack Dempsey, the heavy-weight king, to get in the ring for a decision bout. "I expected to have some real fights in New York under the new boxing bill, but the champions have suddenly become deaf," he said. "I have written numerous letters to Johnny Kilbane and he has ignored them. I even went so far as to let him pick his own opponent. Out let tried to get in touch personally with Johnny Wilson and have sent representatives to him only to have them told that he is not ready to talk business. I had Benny Leonard and Eddie Fitzsimmons matched and the bout was called off. Pete Herman has been very slow in agreeing to meet the winner of the elimination series that is being conducted among the bantams."

Richard to Bring Them Out. Rickard however, plans to force them into the ring. He has two plans in mind—one through the provisions of the Walker Bill and the other by taking the radical stand that they are no longer champions and offering a club belt of his own to the winner of an elimination series among the contenders.

The Walker Bill is very clear on this subject. "Any boxer winning a championship under the International Rules must defend his title in a bona fide bout to a decision against the best available contender within a period of six months from the time of winning his title and thereafter every six months if a qualified challenger appears, unless he is prevented by circumstances beyond his control, in which case the time may be extended by the board of boxing control," the section reads.

Richard has already offered a belt to the winner of the return engagement between Jack Sharkey and Joe Lynch, who fought a furious fifteen-round draw recently and are matched to meet again on November 5th in Madison Square garden.

Weight to Be Disclosed. Richard also promises to make some interesting disclosures about the weight of several champions who are
