

WOMAN'S EYE INJURED WHEN CAR TURNS OVER

(East Oregonian Special.)
 UMAPINE, Oct. 21.—Mrs. W. W. Philippi, who is in the Walla Walla hospital as the result of a Ford car turning over on Friday, is making a good recovery. The accident occurred on the turn of the gravel road coming from Freewater near Fruitvale. The sun was shining in Mr. Philippi's eyes, causing him to make too wide a turn. In trying to bring the car upon the road, the turn was made too short and the car capsized. Mrs. Philippi was cut over the eye by her glasses and 24 stitches were necessary to sew up the gash. Mr. Philippi was uninjured, although pinned under the car for a few minutes. Help was directly behind them and the car was removed in a very few minutes.
 Mr. and Mrs. Roy Saunders left Wednesday for their new home in Hazelton, Idaho where Mr. Saunders will manage a sheep ranch. Mr. Saunders held his sale last Thursday which was largely attended. His dairy cattle averaged \$125 per head, the highest

price paid being \$150 for a black Jersey.
 Mrs. Alpha Reese has rented the Saunders home and will move immediately.
 Mrs. Mattie Stark and Miss Lenora Stark left for their home in Oklahoma on Sunday after an extended visit with Mr. and Mrs. Jim Wisneor.
 Mr. and Mrs. Roy Grimes move this week into their house below T. O. Goodman's. The house has been redecorated and made into an attractive little home.
 Howard Morrison, the three-year-old baby of Mr. Morrison who last week had his arm caught in the electric wringer of the washing machine, fellow in suffering quite a little and although the doctor thinks the arm can be saved, skin grafting will be necessary as from the elbow to the shoulder the skin has been taken off.
 James Wisneor with Louis Scholl left for the Lewiston country on Sunday morning and up on the Snake river above Lewiston, they will spend a month hunting deer.
 Carl Bean, who had his foot amputated six weeks ago following an accident in a combine harvester, was again on the operating table last week and had another four inches of his leg taken off. The amputation was made necessary by nearly exposed nerve

cord. He is progressing rapidly at this time.
 Mrs. Kyle McDaniel was a Pendleton visitor Sunday when her step-father, James A. Drake, died in that city following a stroke of paralysis.
 Donald Kirk underwent an operation in Walla Walla Wednesday morning for the removal of his tonsils.
 Paul Jones received a blow on the head in football practice on Thursday night, which called for a doctor, as the blow caused a slight pressure on the brain.
 On Friday night the patrons of the grange initiated 10 candidates and after lunch was served tickets were sold on the latest of men's hats. The lucky number was 23, which was drawn by O. W. Carpenter. After grange dancing was enjoyed.
 On Wednesday the ladies of the Presbyterian church were entertained at a dinner at the home of Mrs. R. H. Wellman in Walla Walla.

FORMER SLAVE POINTS WAY FOR ALL BLACKS

ATLANTA, Ga., Oct. 21.—(A. P.)—Born a slave, and now reputed to be one of the wealthiest and most respected negroes in the south, David T. Howard, 21, today celebrated his children's wedding anniversary and made it the occasion to give some advice to members of his race.
 Beginning on a legacy of \$150, left by his former master, Howard now owns a business rated as the fourth largest of its kind in the city.
 "I never wasted time. I never went in for wild oats; never saw a baseball game and never danced a step—but I was always in my business," said Howard. "No social equality for me; no sane thinking negro wants it."
 The negro, Howard said, wants better justice in courts, better accommodations on railway trains and more schools.
 "Too many silk shirts and too much good time," said he, were the causes of racial unrest.

PALMER DEMANDS EXPLANATION OF LIQUOR CHARGES

WASHINGTON, Oct. 21.—(U. P.)—Attorney General Palmer calling on Acting Mayor McLeran, of San Francisco, to produce proof of a statement attributed to him in the press that 40 barrels of whiskey and gin were withdrawn from bonded warehouses for the entertainment of delegates to the democratic national convention, in San Francisco with Palmer's knowledge, or else retract the statement publicly.

HUGHIE DENIES HE'S SIGNED.
 SCRANTON, Pa., Oct. 21.—(A. P.)—Hughie Jennings, former manager of the Detroit American league baseball club last night denied reports that he is to manage the New York Americans next year.

Quality Counts

The finest white flour and purest shortening have gone into the making of Snow Flakes, and special processes of baking insure crisp flakiness—you'll love these fresh from the oven, slightly salty, crackers.

CALOL LIQUID GLOSS

The Gold Medal Product

Makes Your Home Bright, Clean and Attractive

It makes old, dingy furniture fresh and new looking. It drives out dust with all its germs and ill-health. It dusts, cleans, polishes—all in one operation—just put a little on your dust-cloth or mop and use them in the ordinary way.

Calol Liquid Gloss is one of the Standard Oil Company's quality products—scientifically prepared after a thorough study of the properties required in such a polish. It is used not only in homes, but in offices, hotels, churches, schools, colleges, hospitals and public buildings.

Put up in cans of various sizes from one-half pint to five gallons; and for large users, in barrels and half-barrels. Ask your dealer for it or communicate with our nearest agency.

AWARDED GOLD MEDALS—HIGHEST COMPETITIVE HONORS
 P. P. L. E., SAN FRANCISCO, 1915
 P. C. E., SAN DIEGO, 1915

For Pianos and Finished Woodwork

Preserve your new piano—make the old one look like new by the use of Calol Liquid Gloss. It is a high-grade Gloss for both dusting and polishing. Cannot harm the most highly finished woodwork, but adds new brilliancy and lustre.

Shake the Gloss before using, wring out a piece of cheese-cloth in water, or any soft cloth, except woolen. Apply the Gloss to the dampened cloth and rub lightly over the piano or other surface to be cleaned. Complete the polish by rubbing the surface dry with a clean, dry cloth. When woodwork is badly stained, rub briskly with the Gloss before polishing with a dry cloth.

FOR CLEANING AND POLISHING FLOORS

Dry dusting of wood floors merely circulates the dust. Calol Liquid Gloss removes it, brightening and renewing the floors and keeping them really clean and sanitary. Calol Liquid Gloss may be used on any good floor mop. Only a very little Gloss is necessary and this will have to be renewed only when your mop fails to hold the dust. Put two or three table-spoonfuls of Gloss in a tin retainer. Then place your mop in the container and leave it there for several hours. This permits the Gloss to be absorbed evenly throughout the fabric of the mop, and avoids getting too much Gloss on the floor. The mop should be well shaken out after use. It also should be washed and dried occasionally, after which it should be re-treated with gloss in the manner described.
