The store will be closed Friday to mark down, and arrange the stock for easy buying. Every thing reduced. For several months the public has been treated to an orgy of hysterical and camouflaged sales unparalleled in the history of merchandising. In the main the public has not been deceived, realizing that it was not the amount of discount advertised but WHAT THE PRICE WAS BEFORE THE DISCOUNT WAS TAKEN OFF. We never abuse the word SALE.

Our prices are always low. We have made real reductions for we must have room, and in the next eight days we want to sell \$10,000.00 worth of merchandise. We will if you come to see it. Anticipate your needs. Do your shopping early. We offer you real bargains, in every line. Come and be convinced. Big Specials every day. Come and profit. We are here to stay. We thank you for your past patronage. We will merit your future patronage. Come! NO FAKES! No misrepresentation.
