**COMPLETE CLOSING OUT SALE**

ONLY ONE CHANCE LIKE THIS IN A LIFETIME

It means this entire stock must be sold immediately. Not only the greatest sale of the year but all the years to come is now going on.

PRICES ANNIHILATED  
VALUES MASSACRED

The most important announcement, the greatest price wrecking, closing out event yet launched in this county. Think of it! Sacrificing new fall and winter merchandise just at the beginning of the season. Ladies, here's \$60,000 worth of splendid merchandise as staple as gold dollars, and with winter so near it behooves every woman in this vicinity to slip away from her duties and partake of these wonderful bargains.

## A Sale No Family Can Afford to Miss

Chris Stadfeldt has been appointed manager of this sale by Bond Bros., the present owners, and his orders are to sell this entire stock in shortest possible time, and he will if terrific price cutting will interest you.

Mr. Stadfeldt is not fooling himself with the idea that he can do this with the ordinary sale methods. People know what ordinary sales are and are not enthusiastic; therefore he is going to do a great deal more. He is tearing thru this stock, ripping, cutting and slashing prices in such a manner that every woman, miss and child within coming distance should rush to this sale.

You may think Mr. Stadfeldt heartless the way he is wading thru this stock, but he can use no sentiment; he means business.

PLEASE TAKE  
NOTICE

We are not in the habit of running special sales. We don't mislead; we don't exaggerate. Our stock was not gathered from the four corners of the compass for sale purposes, but the self same merchandise always carried here, and the profits are all yours until this entire stock is gone.

To close this big stock out requires the immediate disposition of everything at a great loss to us.
