CASKET LEADS LONDON MARCH OF THOUSANDS

Strife Over Government Policies is Momentarily Still While Greatest Irish Demonstration Fills London.

WIDOW OF DEAD MAYOR COLLAPSES AFTER VIGIL

Long Endurance of Wife, Marvel to Those Who Watched Case, Breaks After Death Shock Has Been Bravely Accepted.

LONDON, Oct. 28.—(U. P.)—Strife over government policies was momentarily still today, while Terence Mac Swiney was conveyed to his maker. Somber thousands knelt in St. George's cathedral while the archbishop and assisting bishops intoned the solemn ritual. No disturbance occurred. The procession in which the casket was conveyed to Euston station was considered the greatest Irish demonstration in England's history. Police feared a possible hostile demonstration, but the cortege everywhere was greeted with deepest respect.

The coffin will remain in the station until evening when it will be taken by train to Holyhead and thence across the channel to Dublin. 8000 Escort Body. Apparently reassured by the inoffensive attitude of the police, Sinn Fein soldiers uncovered their uniforms and openly worked with "Boobies" in controlling the crowds which surged about the cathedral when the doors were opened to permit the public to view the body of the late Lord Mayor Terence Mac Swiney following funeral services. Fully eight thousand men and women in procession escorted Mac Swiney's body to the station.

Headed by a band of Irish pipers, the procession marched slowly through three miles of the heart of London. Pedestrians numbering in hundreds of thousands dotted their hats as the hearse passed, the only discordance being produced by hawkers who cried their offerings of Sinn Fein colors and national postal cards. Police stopped traffic in the busiest streets that the cortege might pass unbroken. In Dublin, Mac Swiney will lie in state all day Friday, while the Irish nation goes into mourning. The body will be taken to Cork on the following day for burial.

Widow Collapses. LONDON, Oct. 28.—(U. P.)—Lady Mayores Mac Swiney collapsed today. Broken by her long vigil at the bedside of her husband, who died in his hunger strike, she was put to bed and ordered to remain there. She will not be permitted to attend the impressive funeral services planned for the following day.

HERE ARE STATEMENTS AS TO POLICY BY RIVAL NOMINEES FOR MAYOR OF PENDLETON

Pendleton, Or., Oct. 28. Editor East Oregonian: If elected mayor of the city of Pendleton, I shall enter the office without an expected or implied promise as to appointments to city offices, and shall be free to work with the council to secure the best officers possible. I believe in a forward policy, yet it shall be my purpose to advocate keeping taxes down as far as is consistent in pursuing an economical yet efficient business administration. I believe in law enforcement, and it is my desire that Pendleton be a clean and wholesome city to live in. It shall be my purpose to work for the good of the whole city and not for any clique or faction. G. A. HARTMAN.

MRS. SYLVIAN COHEN IS RED CROSS CITY CHIEF

Mrs. Sylvian G. Cohen has been chosen city chairman for the fourth annual Red Cross drive for funds which begins on Armistice Day, November 11, and continues until November 25. Mrs. Cohen's experience in work of this kind assures the executive committee that Pendleton will raise its quota. Memberships in the Red Cross are of five kinds: annual, \$1; contributing, \$5; sustaining, \$10; life, \$50, and patron, \$100. Also the Red Cross may accept gifts up to any amount. Besides finishing up its war time work in the after-care of former service men and their families, the Umatilla county Red Cross has been on a peace time basis and during 1919-1920 did a large amount of civilian relief. Before the drive is over, Mrs. Cohen plans to get these facts before every person and organization in Pendleton.
