DIAMONDS

In the heart of every woman is the desire for a diamond—not only for the beauty and value of the stone, but because the diamond is representative of the truest sentiments.

Diamonds will always increase in value and if you desire to make her genuinely happy this Christmas, let her gift be a Sawtelle diamond—there is none better.

Our stock contains diamond rings from \$15.00 to \$2,000.00, while bar pins, brooches, pendants containing diamonds are priced to be friendly with your purse.

"It is always a pleasure to show diamonds at Sawtelles."

PAY A LITTLE DOWN AND A LITTLE EACH WEEK

Before you realize it, you will find that you have paid for a beautiful "Gift that Lasts"—one that you will be proud to give at Christmas time.

The best time to select that Christmas gift is now. You have more time to make a selection, more time to have it engraved and you avoid the holiday rush.

This year merchandise is harder to obtain than formerly in our ware—it is therefore almost necessary to make your selection early, to provide against failure and disappointment.

Any selection made now will be stored in our safes until the day you desire it.
