## STAR BACKFIELD PAIR WILL BE IN SHAPE TO PLAY IN BAKER GAME

**Kenneth Stendal and Perry Davis, Injured Pendletonians, Ready to Step Into Fray by Nov. 11, Coach Says.**

Kenneth Stendal and Perry Davis, star backfield men of the Pendleton high school eleven, both will be in the lineup for the game November 11 against Baker. Such is the statement made by Coach Dick Hanley before departing for Pullman, Wash., where he is attending the W. S. C.-Montana game today.

Stendal dislocated his shoulder in the first period of the game against Touchet two weeks ago and it was thought at the time that he would be unable to return to the game this season. The injury has mended rapidly, however, and it is the coach's belief that the star right half will be in harness for the first of the Eastern Oregon big games.

Davis was hurt on the same day, shortly after Stendal suffered injury. He strained his arm and, while the injury was not quite so serious as Stendal's, it kept him out of uniform for several days. During the past week Davis has been working out with the boys but not participating in scrimmages.

**Matlock Failed to Stay**  
Orie Matlock, the Heppner boy who came here to attend school and who played fullback in the game against Hood River, did not remain here on account of his inability to find a part time job to pay his expenses. He has gone to Spokane where his parents are and has entered North Central high school.

In the fullback position Davis is being tried out and it is Hanley's belief that the little fellow will fill the bill very satisfactorily. He intends to use Jena Terjeson, local captain, at half back for the rest of the season, his increased speed under Hanley's coaching having made him more valuable at half than at fullback, where he started the season.

Davis and Stendal will not be used prior to the Baker game if the other boys in the backfield hold up. The administration of the high school in outpays was awarded the game, 1 to 0, to win the game from Baker and La Grande in order to annex the Eastern had fought to a 0-0 score.

Oregon title for Pendleton and no more chances are to be taken as with the Touchet bunch.

**Clasby Array in Backfield**  
When the backfield returns to form for the game against Coach Ad Dewey's Baker men it will comprise one of the classic four high school backs in Oregon, in Hanley's belief. Myron Hanley will return to his natural place at quarterback, Jena Terjeson and Kenneth Stendal will hold down the halves and Perry Davis will play fullback. This quartet contains three men who are predicted to make college teams if they go on to schools of higher learning, while Davis, should he gain weight and stature, would also come near to being a varsity man. His only handicap today is his size and weight.

Pendleton is well fortified in the aerial line with both Hanley and Terjeson high class passers. The local offensive includes quite a lot of forward passing, inasmuch as the Dietz system is used. Passes to both ends, the fullback and right halfback are favorites of the local offensive and with Davis and Stendal in the backfield to receive and both their mates there to pass, the opposition can look for plenty of headache.

The local squad rested today on account of the failure of Pullman high school to schedule a game at Pullman. The high school there feared the financial success of a contest on the same day with the W. S. C.-Montana varsity game and would not undertake to transport the locals nearly 200 miles. Some of the boys, accompanied by Orville Reeves, of the faculty, journeyed to La Grande to witness the game between La Grande and Baker in the Union county city. Pendleton meets both teams next month.

## DEPAUW WINS FORFEIT GAME BY ONSIDE KICK

**GREENCASTLE Ind., Oct. 29.—(A. P.)**—Depauw University's football team won a forfeit from the Valparaiso team Friday, when Coach Keegan of Valparaiso took his team off the field after Depauw had pulled a successful on-side kick in the third quarter and out the ball on the one-yard line. The referee allowed the play and when Keegan refused to boys in the backfield hold up. The administration of the high school in outpays was awarded the game, 1 to 0, to win the game from Baker and La Grande in order to annex the Eastern had fought to a 0-0 score.

## UMATILLA HERD LAW PASSAGE IS DESIRED FOR COUNTY WELFARE

**Prominent Farmers Drafted  
Act on Ballot to Give Uniform Measure Regarding  
Damage From Stock at Large.**

One measure on the county ballot which is of extraordinary importance to Umatilla county is the Umatilla county herd law, initiated by petition last spring by a group of prominent farmers of this county. They ask the passage of the herd law in order to make a uniform statute in this county with those in counties west of here and to supplant the Hittner herd law, whose constitutionality was denied.

The law, bearing numbers 322-323 on the ballot, makes it unlawful for persons to permit stock to run at large in the county except on government land and in national forests set aside for game. It also makes the owner or possessor of stock running at large, liable to any damage to property inflicted by the stock.

Stock found running at large on lands within the county, other than those excepted, may be taken up, held, impounded and disposed of in the manner provided for by law. A regular process of advertising the impounded animals and holding the sale is provided for by the act. Persons taking up stray animals are entitled also to a taking up fee of 50 cents a head for all cows, horses, mules, asses and swine and 10 cents for sheep and goats, the minimum charge being placed at \$10.

Persons taking up animals and selling them after due process of law are required to file a report of their proceedings with the county clerk and receipt for the proceeds with the county treasurer after the costs and damage have been deducted. The law provides for a board of arbitration for cases where the owner of the stock and the holder of stray animals cannot agree on the terms of redemption, as the law provides.

The act was drafted by farmers with a view of filling a long-felt need in this county and to match laws in force in neighboring counties. Marion Jack, Pendleton; K. G. Warner, Pilot Rock; Carl Engdahl, Helix; J. A. Guderian, Pilot Rock; George Strand, Pendleton; G. L. Downing, Stanfield and M. L. Watts, Athena, drafted the proposed bill.

## HERBERT MYRICK QUILTS HARDING; NOW FOR COX

**NEW YORK, Oct. 29.—**"Senator Harding casts aside every spiritual and economic consideration that indissolubly binds America to the rest of the world," says Herbert Myrick, republican, an original Hoover man and editor of Farm and Home and the Orange-Jud farm publications in a letter describing his reasons for bolting the republican party and urging the election of Governor Cox.

"Values are on the job," says Myrick, "mental unrest prevails, values are lost sight of and most of it is as unnecessary as the world's need is universal for the utmost of human production and for the closest interdependence. To lead the way out of the chaos, nearly all the nations of the world are leagued. Even Mexico, Germany and Russia will join. Only the United States stays out. And Harding says the United States will never go in. Harding casts aside every spiritual and economic consideration that indissolubly binds America to the rest of the world. The one duty is to elect Cox and a congress in sympathy with Cox."

### DEEDS

**Country Doctors Own Cars**  
Being taken sick in the country miles away from the nearest doctor, leaving some of its terrors. In the old days, hours passed before the doctor came along behind his creaking old gray mare. Now it's no time till he comes speeding in his silver. Statistics show that 50 per cent of the country physicians now have their own machines.

## Backaches and other external pains quickly soothed

THAT dragging, wearying backache, that so many women suffer from, is quickly eased by an application of Sloan's Liniment. No rubbing, massage, or skin strips. It's good for all the family and all kinds of "external" aches and pains. 25c, 75c, \$1.00.

**Sloan's Liniment** (Pain's Enemy)

## COUNTER FOR LASKER'S PLAN MADE BY OWNERS

**CHICAGO, Oct. 29.—**A counter-proposal to the "Lasker plan" for the reorganization of baseball, was made Friday by the board of directors of the American league, in executive session. The board's proposal was in answer to the ultimatum of the National league members and the three American league club managers—Chicago, New York and Boston—who declared they would organize a 12-club league if the five American league clubs, which are "loyal" to President Johnson, did not join in the plan before November 1.

The board's answer suggests that a committee of nine members—three each from the National league, the American league and the National association of professional baseball leagues (minor leagues) work out a plan of reorganization.

This committee, it was pointed out, will give due consideration, not only to the major leagues, but to the minor leagues as well.

"We are confident," the statement continues, "that in this manner a reorganization may be worked out along sane and practical lines, which will be satisfactory, not only to so-called organized baseball, but to the public as well."

"We recognize that there is a strong feeling prevalent among the public in favor of some reorganization and the American league will be glad to cooperate in a feasible and practical way to that end."

"The board of directors are of the unanimous opinion that the so-called 'Lasker plan' will prove wholly ineffectual to accomplish the results which its sponsors seek to accomplish, and that the American league cannot subscribe to that plan."

**Catarra cannot Be Cured  
by LOCAL APPLICATIONS, as they cannot reach the seat of the disease. CATARRH is a local disease, greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE will cure catarra. It is taken internally and acts through the blood on the mucous surfaces of the system. HALL'S CATARRH MEDICINE is composed of some of the best tonics known, combined with some of the best blood purifiers. The perfect combination of the ingredients in HALL'S CATARRH MEDICINE "what produces such wonderful results in catarra conditions." Druggists 75c. Postmaster free. H. F. Chase, Props. Toledo, O.**

## Have You a Gun?

If not, let us see if this sale will TALK to you

## STOP

borrowing your neighbors gun any time you go out. He does not want to loan it, but hates to refuse you

## So Let's Buy a Gun

then you own it yourself. I am overstocked and this sale will continue till all my guns are sold. Come early and dont wait until some one else gets it.
