ALLIANCE, Neb., Nov. 1.—(A. P.) A heavy blanket of snow, which began falling late Saturday night, covers northwestern Nebraska and parts of South Dakota and Wyoming, extending as far as Montana. The storm was without cessation in this section through yesterday and continued last night. Thus far it has not interfered seriously with train service and fall wheat will be benefited but unless there is clearing weather tomorrow, it is expected to cut down the vote Tuesday in sparsely settled country districts.

### HEAVY FALL RAINS ARE BOON TO CAULIFLOWER

OREGON AGRICULTURAL COLLEGE, Corvallis, Nov. 1.—Fall cauliflowers, in contrast to other vegetables and fruits have been particularly benefited by the heavy fall rains, said A. G. Bouquet, professor of vegetable gardening at O. A. C., on his return from a field trip to Oswego. Professor Bouquet inspected the cauliflower field of C. W. ### A Checking Account

No man or woman can afford to pay bills in any other way than by checks, for it is the most accurate method and adds to your reputation for being modern and alert.

And a housekeeper must pay her bills by check if she is at all concerned as to where the money goes. The stub of your check book acts as both a record and a receipt. It shows at a glance how much you are paying to the storekeeper, butcher and grocer. It is much less extravagant than paying out cash. Come in and talk to our officers or tellers about the ease with which a checking account is opened, and the many advantages.
