NO. 9668

# HARDING IS SURE OF 404 ELECTORS COX AROUND 127 VILLAGE OF GRANARD

Majority of Close Races Are Also Marked by Lead for President-elect; Tennessee Breaks Rank of Solid South.

REPUBLICAN SENATE IS ASSURED BY 57 TO 39

Plurality in House is Also Swelled According to Indication of Straight Ticket Balloting Throughout Nation.

NEW YORK, Nov. 4.—(U. P.)—
Harding will probably have 404 electoral votes and Cox 127. returns
from New Mexico today indicating the

ties, it is indicated that Harding will carry the state by 5000 votes. Mechem, republican, for governor, is leading by a markin of 1000 votes. Nester Montoya, republican, is leading for congress by about the same lead.

NEW YORK, Nov. ( .- (A. P.) -With Tennessee and Oklahoma in the republican column traditions of the solid south are shattered. Harding is samured 200 electoral votes and Cox ampred 290 electoral votes and Cox 127, with 14 in doubt. Divided, Ari-kona has three, Nevada three, New Mexico three and North Dakota five, in all these states save New Mexico Harding is in the lead. Tennessee went republican by about 10,000. The republicans have a majority of 10 in the senate and a house plurality of 151 on present returns.

Senitte 57 to 39.

NEW YORK, Nov. 4.—(U. P.)— Republican victories in the senatorial races in Oregon Arisona, and Okla-homa, indicated by the latest Ogures.

NEW YORK, Nov. 4.-(U. P.)-

### REPUBLICAN VOTE FOR HARDING GOES THREE TO TWO IN COUNTY BUT CHAMBERLAIN LEADS HERE

More than three to two is the ratio of the Harding-Cools More than three to two is the ratio of the Harding-Coolege victory in thustilla county over Cox and Rosevelt, democratic neminees for president. Complete figures from 60 out of the county's 54 precincts today gave the republicans 4689 to 3023 for the democrat standard bearess. The missing four precincts sent in their statements locked in their ballof-boxes and the results will not be known until the order is issued for opening the boxes tomorrow. Victory for George E. Chamberlain, prepent U. S. sensites from Oregon, in his county, was indicated by the returns from the same 50 precincts. The ount showed him to have a tend of 59 votes over Robert N. Stanfield in the ounty, the figures being. Chamberlain, 1715, Stanfield 2656. Hayes, independent candidate running on a straight leasure program polled 91 votes.

endent candidate running on a straight league program, polled 91 votes tost of which would have been Chamberlain's.

#### VEW TRAIN SCHEDULE ANNOUNCED TODAY: **NEW TRAIN PROVIDED**

ater than at present but No. 18 will

No. 24 will be a solid mail and express train leaving Portland at 8:30 1. m. and will arrive at Huntington at f3:30 noon. This train will relieve train No. 5 of much express business.

No. 19 will leave Huntington at 6:16 p. m. arriving at Pendleton about 1 a. m., arriving in Portland at 8:30 a. m.

#### Chamberlain Leads Here,

Unofficial returns from 43 precincts Unofficial returns from 63 precincts, reported this morning, gave Senator Chamberlain 3819 votes to Stanfield's 3847, a margin in favor of the senator of 72 votes. If is conceded that the senator has carried Stanfield's own county, while in Mulmomah Chamberlain's home county, the reverse has been the case.

No. 23, From Salt Lake to Portland Will Carry Night Sleeper, Arriving Here From East About 11 p. m.

A new train schedule, effective November 14, announced by the O. W. R. & N. Co., today shows the following.

vember 14, announced by the O. W. R. & N. Co., today shows the following changes.

Numbers 17 and 18 will run through to Chicaso instead of consolidating at Screen River and they will have the old composite observation cars on.

No. 17 will probably arrive a triffe ater than at present but No. 18 will

No change in No. 4.

No, 6 will leave Portland at the name time as in the past but will arrive at Huntington 45 minutes earlier than at present.

No, 6 where the No. 4.

So change in No. 4.

So change in No. 4.

Election of all the republican county candidates with the exception of County School Superintendent W. W. Green was indicated by the late returns. S. A. Meller and Frank Stoam were returned representatives to the state legislature by majorities of 1000 No change in No. 5 except that it will carry no passenger equipment.

No. 23 a new train from Sait Lake to Portland, will leave Huntington at 3:30, plok up the La Grande and Pendleton sleepers. This train will arrive in Pendleton about 11 p. m. running via Umatilia, putting the Bots-Spokane sleeper on No. 12 for Spokane. No. 22 will arrive in Portland at 7:39 a. m.

No. 24 will be a solid mail and experiment.

State legislature by majorities of 1000 in sportling of the potential of the potentia

MARION, Nov. 6.—(U. P.)—Pros-ident-Elect Harding will do little or motor.

The new schedule eliminates train 20 and 21 between La Grande and Faker.

On account of the local freight trains being numbered 23 and 24, new train numbers will be assigned to the freight sorvice.

In work on the association of nations project for the present, according to those class to him. It is certain that he will call up conference until after his limituration. An official statement from his headquarters mid that politics are to be considered and no visitors received during the next month.

#### HUNT LED BY JINKS TAYLOR CAPTURES GREATEST STILL **EVER LOCATED IN COUNTY**

reposes today in the county jail as the result of a successful still hunt carried out yesterday afternoon by were found in the place and brought Sheriff Jinks Taylor and a deputy near bere for sydence. Most of the other the state line. Only a small portion of the plant was brought to the jail in the sheriff's car, so great was the amount of material on hand.

a common wash boiler, equipped for use in distilling moonshine, were the places of apparatus brought in. The main still resembles a small furnace with a long beaker from the top. Plant in Operation

Six hundred gallons of corn mash to gallons of fruit mash. 15 bushels of cracked corn, 35 gallons of "dago red," three gallons of first run and a quantity of fruit used in the manufacture of the illicit liquer, were destroyed by the officers. The plant was in full operation, when, at i p. m., they accouted the operator, whose name they gave as John A. Smith. The fire was burning under the still and the three gallons of first run had just come from the boiler.

"The plant was the most complete and carefully equipped I have you seen," the sheriff said last night after returning from the east end with the prize. "The house was equipped with running water which was led right to 'he cooling pipes. Sewerage systems carried away the used products of the till and made detection difficult. The boilers were fed pressure from an acetylene tank, whose pressure was Nept up with a bicycle pump. The en-tire plant was in perfect working order and was turning out a high grade pro-

The most completely equipped dis- duct. It had been operating for quite tillery ever raided in Umatilla county a while, from all indications." Moonshine Brought in Four gallons of finished moonshine

evidence, with the exception of the vals in which the figure was distifled. could not be brought here.

A copper distillery, standing more than four feet High and holding 50 sheriff had been conceded, that he sallons of mash, a steel pressure tank would not diminish his vigitance in trosecuting the filicis manufacture of the county. The plant whiskey is this county. The plant taken last evening was the present theritt's fifth big hauf since July 26;
