In a few short weeks the store of R. D. Sayres & Co., Inc. will be closed forever! The end of this Gigantic History-making Sale is rapidly nearing. Values beyond belief have been offered on every article in our former \$75,000 stock, but there is an end to all human efforts to move merchandise quickly. Everyone will admit that we have advertised this sale liberally. There is not one person within fifty miles of Pendleton who does not know of this sale. But we still have thousands and thousands of dollars worth of new fall and winter merchandise that must go. It is plain that we must take an additional loss to close out our entire stock before December first, if possible. There is no alternative. We positively must, and will sell every Suit, every Coat, every Dress, every Fur, every Shoe, and all Dress Goods, Silks, Velvets, Outings, Percales and every dollar's worth of Underwear and Hosiery, and no reasonable offer will be refused for any part or all of this stock. On the inside scores of people will go through this immense new fall and winter stock—literally

slaughtering every value. Cost will be forgotten—Prices will be smashed—in a last final and terrific effort to dispose of every article in this high-class stock of merchandise. Don't confuse this sale with the many so-called Special Sales of odd lots, broken lines, or job lots of merchandise, bought for special sale purposes; in their desperate effort to compete with this, the ONE AND ONLY REAL GENUINE SALE. We offer you an unrestricted choice of any article in this fine stock of merchandise at prices that will stagger all competition and we defy any sale, competition, or mail order house in the United States to equal our prices, style and quality considered. Bond Bros.' reputation for fair and square dealing stands back of this sale. You all know what that means, so come to this store expecting real bargains and you will not be disappointed.

The Power of Cash and opportunity to save will be demonstrated at this mighty
