CHAMPIONS WILL SHOW IN NEW ORLEANS MEET LATER THIS NOVEMBER

Amateur Athletic Union to be in Session for Annual Cleanup and Elimination of Politics Will be Sought.

BY HENRY L. FARRELL (United Press Staff Correspondent.) NEW YORK, Nov. 4.—"Putting the shot" seems to be one of the events left off the card for the annual meeting of the Amateur Athletic Union in New Orleans Nov. 14, 15 and 16.

Being an annual indoor get-together of the non-participating athletes of the nation, and "shot put" should not be listed, but from the rumblings among the athletes several big shots will be hurled in the direction of the organization.

From an informal organization of the athletes formed during the Olympic games in Belgium this summer, a committee probably will be sent to the Gulf City meeting to demand a thorough house cleaning of the organization.

Nothing definite, however, has yet been announced by the committee of athletes which includes Norman Ross, champion swimmer; Ted Meredith, middle distance record holder; Dick Reiner, Walker and others.

The athletes seek first the elimination of politics, which seethed at the Olympic games, and the injection of some business methods in the organization. They may also present the resolutions signed on the Princess Matoka, which severely criticized the Olympic committee and the A. A. U.

Although this petition was presented in Antwerp, it was never recognized on the grounds that it was not "officially presented."

Norman Ross, head of the athlete's committee, at that time sought to learn how it could be "officially presented" without avail.

The business of the annual meeting from the cellar to second place in the will consist of election of officers and league is expected to be outdone next the awarding of forty-eight national year. Therefore the owners want to championship meetings for 1921. Con- get ready for the crowds by putting up (rary to the usual custom, the national) new concrete plant.

THANKSGIVING TO SEE DEL MONTE GOLF PLAY

DEL MONTE, CAL., Nov. 4.—(A. P.)—The next golf tournament of importance here will be the annual Thanksgiving day celebration. The qualifying round of 18 holes is to be contested on Thursday, November 25, and the match play rounds will follow the next three days. There are to be flights of 16 at handicap for both men and women. Trophies will be given for the best gross and net scores and to the winners and runners up in every flight.

For Christmas there is to be a blind bogey competition on Saturday and Sunday. The annual New Year's day tournament which is one of the big sport features at Del Monte will last only three days. The qualifying round of 18 holes takes place on Friday, December 31 and match play rounds will be contested on Saturday and Sunday. There will be flights of 16 for men with the first flight at scratch and there will be flights of 8 for the women. A full array of trophies will be set up.

The Del Monte golf calendar for 1921 will see competition on practically every week-end, starting in January and lasting throughout April. Outstanding features will be the second annual Pebble Beach golf tournament on Washington's birthday.

NEW BASEBALL PLANT MAY RISE IN SEATTLE

SEATTLE, Wn., Nov. 4.—(A. P.)—Seattle fans next season may see their Pacific Coast League baseball club perform in a new park to be built this winter by owners of the team. W. H. Klepper, president of the club, announced recently that a new ball plant, which has been talked of here for some time, may soon become a reality.

The local ball park this year was not large enough to hold the thousands who turned out Sundays and holidays to cheer the club in its fight for first place. Nearly every Sunday crowds were turned away, although the park's capacity is said to be well how it could be "officially presented" (ost the 10,000 mark.

This year's dash of the Seattle club from the cellar to second place in the will consist of election of officers and league is expected to be outdone next the awarding of forty-eight national year. Therefore the owners want to championship meetings for 1921. Con- get ready for the crowds by putting up (rary to the usual custom, the national) new concrete plant.

AMERICAN LEAGUE MEN ASKED TO TAKE PART

NEW YORK, Nov. 4.—(A. P.)—Invitations to attend the baseball meeting in Chicago Nov. 5, were yesterday sent to President Ban Johnson of the American league and to heads of the National and American league clubs by President John Heydler of the National League. At this meeting only three American clubs, New York, Chicago and Boston, were represented.

The purpose of the meeting, Mr. Heydler stated, is to appoint a drafting committee to meet with a committee selected by the National Association of Minor Leagues. The joint committee is to prepare an agreement embodying such new organic provisions for the maintenance of the national game and to reorganize the government thereof as to assure the public that the sport is conducted in a proper manner.
