Collection January 1.
Collection of income taxes will begin January 1, with March 15 as the final date on which returns can be made, according to W. D. The tax rate will be the same as last year, which was four per cent on the first \$4000 above exemption. For example, if a married man has an income of \$7000, he has an exemption on the first \$4000 and pays four per cent on \$3,000. All above \$4000 is subject to an eight per cent tax. After this comes the graduated surtax. Mr. Chamberlain leaves tonight for Walla Walla county and will be absent from his headquarters here for the next month.

A coroner's jury at the inquest charged Miss Cate with careless driving, and while the jury excused her of criminal intent, it was declared that she was ignorant of traffic laws and displayed lack of judgment. The jury recommended that she be permanently forbidden to drive a machine. Funeral services for Miss Jones were held near Hood River and the body was taken to Walla Walla for interment.
