A delightful bit of hospitality was extended yesterday when Division No. 3 entertained a missionary society of the Christian church, the meeting being held at two o'clock at the home of Mrs. J. N. Scott, 114 Lewis street.

An interesting program included the following numbers:

MISS BURMISTER IS BRIDE.

Pendleton friends received word today of the wedding of Miss Louise Burmister, formerly of this city, to Clyde Rogers Heaton. The wedding took place at Long Beach, California, October 18. The ceremony was a simple one and occurred in the afternoon. The bride who is a charming girl and popular in Pendleton, wore a smart brown costume with lynx collar and a corsage of violets. Mr. and Mrs. Heaton are making their home in Long Beach but expect to go soon to Arizona to reside.

CLUB MEETING ENJOYED.

Americanization as a day's topic suggested interesting discussion and afforded a delightful program for members of the Pendleton Woman's club yesterday. Hostesses for the above affair were Mrs. H. A. Frick, Mrs. Norborne Berkeley, Mrs. M. L. Akers, Mrs. B. L. Johnson, Mrs. J. L. Cox and Mrs. Emil Dohmert, and their guests were entertained in the library club room where yellow chrysanthemums were combined with baskets of marigolds in lovely abundance.

Miss Virginia Todd, secretary of the Umatilla County Red Cross, spoke to the club, making an earnest appeal for response in the forthcoming membership campaign. Her talk was well received and it was followed by the day's program:

Legislation and Americanization—Mrs. C. S. Terpening.
Songs, the Bare Foot Trail, Southern Melody, Mrs. H. J. Warner.

Introductory talk to "Influences of Art on Americanization," Mrs. Akers.

How Not to Take Cold

Some persons are subject to frequent colds, while others seldom, if ever, have a cold. You will find that the latter take good care of themselves. They take a shower or cold sponge bath every day in a warm room, avoid over heated rooms, sleep with a window open or partly open, avoid excesses, over eating, becoming over heated and then chilled and getting the feet wet. Then when they feel the first indication of a cold, they take Chamberlain's Cough Remedy without delay and it is soon over.

A Timely Suggestion
This is the season of the year when the prudent and careful housewife replenishes her supply of Chamberlain's Cough Remedy. It is almost certain to be needed before the winter is over and results are much more prompt and satisfactory when it is kept at hand and given as soon as the first indication of a cold appears and before it has become settled in the system. There is no danger in giving it to children as it contains no opium or other harmful drug.

Chamberlain's Tablets Have Done Her a World of Good
"Chamberlain's Tablets have done me a world of good," writes Mrs. Ella L. Button, Kirksville, N. Y. "I have recommended them to a number of my friends and all who have used them praise them highly." When troubled with indigestion or constipation, give them a trial and realize for yourself what an excellent medicine it is.

Good Health
If you would enjoy good health, keep your bowels regular. No one can reasonably hope to feel well, when constipated, when needed, take Chamberlain's Tablets. They are mild and gentle.

LAVENDER CLUB MEETS.

Lavender and white asters lent abundant charm to the home of Mrs. Dorothy Thomas, 704 Aura street, yesterday when members of the Lavender club were her guests. A delightful reading by Mrs. J. M. Cook was supplemented by a guessing contest in which prizes fell to Mrs. Anna McConnell and Mrs. C. H. Smith.

Mrs. William A. Breeding, who is visiting here from Haines is the guest of her mother, Mrs. C. J. Hamilton, was presented with a Pendleton Indian robe.

A dainty luncheon was served by the hostess, with Mrs. Anna Roberts assisting.

The next meeting is to be held at the home of Mrs. Wilkinson on West 11th street.

HIGH SCHOOL NOTES

Student Body Meeting Held—A student body meeting was held at the school yesterday, the main purpose being to recall an amendment which was to have been voted upon by the students. The motion was to give the yell leader complete authority at all athletic contests, but as that power is already implied the passing of the amendment was useless. The motion was made and seconded that the student body as a whole pledge their support to the yell leader in keeping order at the games. The Red Cross Roll Call was announced to begin next week and a contest will be held between the classes for the most memberships. Committees were appointed from all the classes to carry on the campaign.

Miss Genevieve Phelps and John Beckwith form the committee for the senior class. Miss Edna Murphy and John McLeod for the juniors, Miss Marie Temple and Richard Sims for the sophomores and Miss Dorothy Straugh and Robert Dunn will put the freshman campaign over.

Two Plays in Progress—The Dramatic Club and the senior class are working hard on the first two plays which the high school will present this year. The Dramatic Club is progressing rapidly with their play which is to be presented No. 19. Miss Elizabeth Severance is in charge and guarantees that the reputation won by the dramatic club will be upheld and that the plays this year will be chosen very carefully and that they will be finished with polish and every detail worked out. Miss Laura Ross, who is coach for the senior play, is pleased with the rehearsals and expects to make this year's play exceed last year's. The senior play will be given just before the Christmas holidays so that it will not interfere with the class day exercises as it did last year. This play is much heavier than the dramatic club play and will take a great deal of work but both casts assure the public that the play will be worked out minutely and that they will do all in their power to make them as enjoyable as those given last year. Walter Jenkins led the students in several popular, novel and patriotic songs. He immediately set the students in an uproar with his humor and good nature. Mr. Jenkins is in charge of community singing in Portland and is always one of the main features of an Older Boy's Conference. A. E. Young, interstate secretary and conference director also spoke to the students and introduced another of the prominent men here for the conference, Hal Donnelly.
