MATCH BETWEEN JACK AND GEORGES AGREED ON FOR HALF MILLION

Articles Signed to Pit Heavy Champions of World in Title Encounter During Coming Year; Terms Definite.

NEW YORK, Nov. 6.—(A. P.)—Jack Dempsey and Georges Carpentier, signed a contract here Friday to fight for the world's heavyweight championship for a \$500,000 purse.

Each fighter in addition is to hold 25 per cent of the moving picture corporation stock while the other 50 per cent goes to the three joint promoters.

It was stipulated that should the promoters decide to stage the contest in March, written notice must be sent such of the principals and managers by registered mail not later than January 1.

The clause relating to motion picture rights provides that these shall belong jointly to the two parties, who agree immediately after the fight to form a corporation under the laws of the country where the fight takes place to distribute the films.

Two somewhat unusual clauses were those which covered the contingency of either man losing his present pugilistic title before the match is consummated and the designation of Robert Edgren of New York as "sole arbiter" of all differences which may arise from the signing of the contract to the division of profits after the fight.

OH, YOU SATURDAY!

It was provided that if either fighter should lose his laurels prior to the time fixed for the meeting, the promoters shall within two days make known whether they intend to cancel the agreement for the fight.

The list of eligible referees and judges agreed to in the covenant were: besides Mr. Edgren, J. J. Jeffries of Los Angeles; James F. Daugherty of Philadelphia; Otto Floto of Kansas City, and James J. Corbett and Wm. Brown of New York.

TYPHOON SWEEPS MANILA MANILA, P. I., Nov. 6.—(A. P.)—Malate Church, one of Manila's landmarks, suffered severely from a typhoon which recently swept this section. The gale which, it was estimated, blew ninety miles an hour, tore off part of the roof of the church and scattered the galvanized iron and timbers for two blocks nearby.

MILTON TAKES SHORT END OF SCORE PILED UP BY PENDLETON HIGH

Team Half Made Up of Subs Put Across Three Touchdowns in Three Quarters and Regular Backs Add Four in Final.

Milton started its football team down to Pendleton yesterday afternoon and the boys managed to smash up a couple of touring cars and kill a lot of time en route.

As in previous games, the high school advertised the contest for 2:30 but either the manager had his dates mixed or the principal did not let the bunch out early.

Second Team Not Strong Pendleton did not look overly formidable with the second team lineup opposing Milton. Coach Hanley turned loose nearly everything he had to put in football suits and left just enough regulars in the fray to make it sure.

Prior to Stendal's first touchdown, Milton punted 46 yards to Hanley and the bulky quarterback ran the ball back the same distance before he was downed.

Terjeson Proves Star The game opened with a patched-up lineup. Captain Terjeson, who played the entire game, was the bright spot and in five minutes had broken away for an 80 yard run to a touchdown on an off-tackle play.

Substitutions were made so frequently both in the line and backfield that it was hard for the boys to keep track of each other and several of the boys were missed in several plays.

Milton Lacked Fine Points The Milton boys seldom made yardage and showed lack of knowledge of the game. They had a pass formation but got over with one long toss in the first quarter but thereafter they were unable to complete their shots.

The team looked good in the last quarter when the first string backs went in, while a line consisting mostly of subs worked. The difference in the play was noticeable immediately when Hanley went in to direct the team.

The boys came out of the fray without scratches or bruises and will be in top fettle for the Baker game Thursday. The contest Friday gave Hanley a good line on his reserve material and many of the youngsters who were the substitutes showed up well after the new wave of Lawrence, Havel, Lang, Fletcher, Johnson, Henderson, Simonsen and Stonebreaker all had a chance to show up and performed creditably.

Supporters of the team were in season at the delay in starting and declared that hereafter they want to know
