Sheriff W. R. Taylor arrived home from Portland Sunday after attending the Neil Hart execution at Salem and attending to criminal matters in Portland on Saturday.

A. F. Fiegel, of Portland, deputy U. S. district attorney, returned to the metropolis last night after spending Saturday and yesterday here on government business.

C. K. Cranston, who is county director for the Red Cross roll call beginning November 11, left this morning for Hermiston on business connected with the appeal for memberships.

Clarence Bishop, representing the Bishop interests which own woolen mills in Pendleton, Washougal, Portland and Eureka, California, was a Pendleton business visitor yesterday. Mr. Bishop has just returned from a trip east.

Dr. F. L. Ingram and Clarence Whitman left by auto on Sunday for Arlington where they plan to spend a couple of days hunting geese on the Columbia River. Other parties are being planned to leave for the same locality later this week.

Among the Oregon products made in Portland is soap, laundry and facial variety, manufactured by The Mount Hood Soap Co., of which Gus Feldman is a member. Mr. Feldman, who sells his products to local stores and laundries, was in Pendleton during the week-end.

Manuel Friedly will leave either tonight on No. 5 or tomorrow morning on No. 19 for Portland where, on Wednesday, he will attend a meeting of the directors of the Pacific States Fire Insurance Co. He will return later in the week.

Eugene Boylen came to Pendleton Sunday from the Boylen sheep ranch on Butter Creek and will leave with his brother Ernest by auto on Wednesday for Eugene, where they will pass the week end at the University of Oregon homecoming. Both young men formerly attended the state university.

Bert Jerard, now district manager for the Equitable Life Insurance Co. for Eastern Oregon, will leave this evening on No. 18 for a visit to his agencies east of here. He will visit La Grande, Baker, the Wallowa county towns, and as far south as Ontario. R. Alexander, pioneer Pendleton merchant, arrived from Portland last evening to spend the week here and in Hermiston with his son-in-law and daughter. Mr. and Mrs. E. P. Dodd, Mr. and Mrs. Alexander left for Portland a few weeks ago to spend the winter and are both enjoying good health, he said today. When Mrs. Edith G. Van Deusen, home demonstration agent, taught history and appreciation of art in Montana State University, a big husky football player named Dorsey used to come limping in to chafe the day after a clash on the gridiron. On Saturday Mrs. Van Deusen witnessed the Montana-Whitman game, and true to form, Dorsey, left tackle, was taken out of the game because of injuries to his leg. Mrs. Van Deusen was at Hudson Bay Friday night and later at Umatine in the interests of her work and then went to the Garden City and saw the drubbing administered to her college.

## DON'T SUFFER WITH NEURALGIA

Use Soothing Musterole

When those sharp pains go shooting through your head, when your skull seems as if it would split, just rub a little Musterole on your temples and neck. It draws out the inflammation, soothes away the pain, usually giving quick relief. Musterole is a clean, white ointment, made with oil of mustard. Better than a mustard plaster and does not blister. Many doctors and nurses frankly recommend Musterole for sore throats, bronchitis, croup, stiff neck, asthma, neuralgia, corns, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frost-bite—colds of the chest (it often prevents pneumonia). It is always dependable. 50c and 60c jars, hospital size \$3.00

## Why Are Skin Diseases So Difficult to Overcome?

When your skin breaks out with itching eruptions, tetter, rash, eczema, psoriasis, or other terrifying disorders, temporary relief will do you but little good, for soon all the itching and irritation breaks out afresh with renewed fury, and you soon realize that local remedies such as ointments, salves and similar treatment will never rid you of your trouble. These troubles originate in the blood, and if you expect real substantial relief you must treat them through the blood. The best remedy for this purpose is S.S.S., the fine old blood remedy that purifies the blood of disease germs, and thus restores the skin to a normal and healthy condition. Begin taking S.S.S. today, and write a complete history of your case, and our medical director will give you expert advice without charge. Address Chief Medical Adviser, 161 Swift Laboratory, Atlanta, Ga.

school superintendent's office today to all schools in the county that Thursday is a legal holiday in the state and that on that day there will be no school held.

### Man Pleads Not Guilty

George Bacon, recently brought here from Hood River to face a charge of non-support preferred by his wife, has pleaded not guilty and been admitted to bail in the circuit court. His bond was fixed at \$250 and he raised the amount necessary.

### Hardin Fined \$250

Arthur Hardin, who pleaded guilty several weeks ago to a charge of simple assault, has been fined \$250 in the circuit court. He was indicated on a charge of assault with intent to kill but by mutual consent the plea was made to the lesser charge.

### Hunter Boy Tried

The trial of Eugene Hunter, 15 year old youth charged with calf stealing, was held in juvenile court this morning, County Judge C. H. Marsh presiding. The chief witnesses against the lad were Rollin McBroom, whose calf it was that young Hunter is alleged to have butchered, and George Carnes, of Pilot Rock, special deputy who made the arrest last summer. After taking the testimony, Judge Marsh took the case under advisement.

## VAMP TRAMP EMERGES FROM ENDLESS THROG KING OF AUTO HOBBOES

CHICAGO, Nov. 8.—(U. P.)—Richard "Friday" Lonsdale drove into Chicago today in a \$7500 touring car, and thereby emerged from the countless "sons of the road" as king of auto hoboes. The box car hobo is passing, according to Lonsdale, who has just finished "bumming" his way from San Francisco to Chicago via the soft upholstered cushions of an automobile.

Lonsdale, who said he belongs to the "race of men who don't fit in" said "I have been from coast to coast in box cars, but concluded it was a hard life at best. I got a bright and shining idea to become an auto hobo by watching the cuties and flappers vamp their way downtown in the morning and decided that if a smile and a pair of pretty eyes could win an auto ride, a hard luck story could, too. I hailed

the motorist at the edge of town. I was only turned down in a very few cases, and, best of all, was never asked to do a lick of work the whole trip.

**How Not to Take Cold** Some persons are subject to frequent colds, while others seldom, if ever, have a cold. You will find that the latter take good care of themselves. They take a shower or cold sponge bath every day in a warm room, avoid over heated rooms, sleep with a window open or partly open, avoid excesses, over eating, becoming over heated and then chilled and getting the feet wet. Then, when they feel the first indication of a cold, they take Chamberlain's Cough Remedy without delay and it is soon over.

**A Timely Suggestion** This is the season of the year when the prudent and careful housewife replenishes her supply of Chamberlain's Cough Remedy. It is almost certain to be needed before the winter is over and results are much more prompt and satisfactory when it is kept at hand and given as soon as the first indication of a cold appears and before it has become settled in the system. There is no danger in giving it to children as it contains no opium or other harmful drug.

**Chamberlain's Tablets Have Done Her a World of Good** "Chamberlain's Tablets have done me a world of good," writes Mrs. Ella L. Bolton, Kirkville, N. Y. "I have recommended them to a number of my friends and all who have used them praise them highly." When troubled with indigestion or constipation, give them a trial and realize for yourself what an excellent medicine it is.

**Good Health** If you would enjoy good health, keep your bowels regular. No one can reasonably hope to feel well, when constipated. When needed, take Chamberlain's Tablets. They are mild and gentle.
