RESTAURANT CHAIN TO REDUCE PRICES

NEW YORK, Nov. 6.—(A. P.)—Prices of foods served at Child's restaurants throughout the United States will be reduced from 11 to 25 per cent as soon as new menu cards can be printed and distributed. It was announced today by A. W. Riley, head of the government's "flying squadron" of profiteer hunters. The ten cent cup of coffee, however, will remain.

MAIL PLANES WILL GATHER AT MATHER FIELD FOR REPAIRS

SACRAMENTO, Cal., Nov. 10.—(A. P.)—Mather Field, near here, where during the war hundreds of young Americans received training in aviation, soon will assume something of its former atmosphere of activity, according to an announcement by John A. Jordan, representing the government aerial mail service.

Mr. Jordan said Mather Field would be used by the service not only as a stopping place for mail planes, as already planned, but as a training field for men who wished to pilot mail planes as a repair station. A large staff of repairmen will be established at the field, he said.

OREGON HOMECOMING DRAWS PENDLETONIANS

Homecoming at the University of Oregon this week will draw a score or more Pendletonians, former students or graduates of the Eugene institution. The advance guard left this morning in automobiles, planning to reach Eugene in time tomorrow to witness the annual battle between the U. of O. Freshmen and the O. A. C. crooks.

Before dawn today several auto loads of loyal Oregonians headed into the west. Tonight a few more will go by train and probably the remaining ones will take departure tomorrow. The annual game between the University of Oregon and University of Washington at Eugene on Saturday is the crowning feature of the celebration, but banquets, dances and open houses will be numerous.

Harold Brock, Nat Kimball and Leith Abbott comprised one party that departed this morning. Eugene and Ernest Boylen left in their machine. Glen Dudley, Arnold Minnie and Harry Kuek were others who left for the University city.

J. A. Murray, formerly manager at Eugene for the Pacific Telephone & Telegraph Co., will leave by train tonight for the games. Cecil Cole is also planning to make the trip.

AMERICAN IN RUSSIA UNWINDS RED TAPE TO OBTAIN A DOOR KEY

LONDON, Nov. 10.—(A. P.)—Door keys are considered unnecessary in the bolshevik scheme of life in Russia.

MAY WIN TITLE BY A MINUTE

NEW YORK—One minute may win for one of these men the title and estate of his father—and lose it for the other. They are the Burke-Roche twins, Maurice (right) and Francis (left), sons of the late third Baron Fermoy (Baron James Boothby Burke-Roche) of England. Maurice is one minute older than his brother. Will Maurice claim the title because of the one minute?

Only privileged persons are supposed to possess them.

When The Associated Press correspondent who recently crossed Russia asked for a door key in one of the nationalized hotels at Omsk he was informed by the hotel "commissar," formerly the owner, that under the red regime doors are not supposed to be bolted.

STOMACH ON A STRIKE

"Pape's Diapepsin" puts Sour, Gassy, Acid Stomachs in order at once!

Wonder what upset your stomach—which portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sick, gassy and upset and what you just ate has fermented and turned sour; head dizzy and aches; belch gases and acids and eructate undigested food—just eat a tablet or two of Pape's Diapepsin to help neutralize acidity and in five minutes you wonder what became of the indigestion and distress.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless antacid is Pape's Diapepsin, which costs so little at drug stores.

An appeal to the Omsk bolshevik commandant resulted in the American correspondent obtaining an official document granting him a key and the privilege of locking the door of his room.

The inward effects of humors are worse than the outward. They endanger the whole system. Hood's Sarsaparilla eradicates all humors, cures all their inward and outward effects. It is the great alterative and tonic, whose merit has been everywhere established.
