48 PERSONS LOST WHEN TYPHOON HITS STEAMER

MANILA, Nov. 11.—(A. CAR SURPLUS POSSIBLE SAYS I. C. C. MEMBER

WASHINGTON, Nov. 11.—(A. P.)—The lack of the car shortage has been broken, Clyde B. Aitchison, of the Interstate Commerce Commission, declared today before the annual convention of the National Association of Railway and Utilities Commissioners. "As a result of efforts by railroad operators and employers with the assistance of shippers and under the policy laid down by the commission we are now facing the possibility of a surplus of equipment."

Over fifty years ago a young physician practiced widely in a rural district and became famous for his uniform success in the curing of disease. This was Dr. Pierce, who afterwards established himself in Buffalo, N. Y., and placed one of his prescriptions, which he called "Golden Medical Discovery," in the drug stores of the United States so that the public could easily obtain this very remarkable tonic, corrective and blood-maker. Dr. Pierce manufactured this "Discovery" from roots and barks—a corrective remedy, the ingredients of which nature had put in the fields and forests, for keeping us healthy. Few folks or families now living have not at sometime or other used this "Golden Medical Discovery" for the stomach, liver and heart. Over twenty-four million bottles of this tonic and blood remedy have been sold in this country.

ARE WOMEN NATURALLY DESPONDENT?

A prominent writer so claims. Women are constituted with a delicate organism and in nine cases out of ten mental depression may be attributed to an abnormal condition of the system, which expresses itself in nervousness, sleeplessness, backaches, headaches, causing constant misery and as a result despondency. Lydia E. Pinkham's Vegetable Compound, a simple remedy made from roots and herbs, is the one great remedy for this condition. It goes to the root of the trouble and overcomes despondency.
