A Mother's Recommendation

Mrs. Kate Deets, Mayville, Mo., recommends Chamberlain's Cough Remedy as follows: "I gave Chamberlain's Cough Remedy to my children when they had croup and whooping cough and I and my husband have both taken it for colds and coughs and it has never failed to give the desired relief. I cannot praise this medicine too highly. This remedy contains no opiates and may be given to a child as confidently as to an adult."

Beware of a Persistent Cold

When a cold hangs on week after week or when you contract a fresh cold before you are over the first one, there is great danger of some germ disease getting a start in your system. The average consumptive will tell you that "I had a hard cold last winter that was followed by a bad cough that I have not been able to get rid of," or something to that effect. Why take the chances of such a result when Chamberlain's Cough Remedy, famous for its cure of bad colds may be had for a trifle.

For an Impaired Appetite

Loss of appetite always results from faulty digestion. As a general rule, all that is needed is a few doses of Chamberlain's Tablets. They will strengthen the stomach, improve the digestion and give you a good appetite. They also cause a gentle movement of the bowels.

Despondency

When you feel blue and that everything goes wrong, take a dose of Chamberlain's Tablets. They will cleanse and invigorate your stomach, regulate your liver and bowels and make you feel that this old world is a good place to live in.

STORY HOUR DELIGHTFUL.

"In the gloaming" last evening a score of members and friends of the Christian Endeavor society enjoyed an hour of story telling about an improvised camp fire which transformed the reception room of the Presbyterian church. Seated on the floor the young folk heard tales of Red Cross and Armistice Day.

Rev. G. L. Clark entertained his hearers with an account of the heroic work of a Red Cross dog and Rev. J. M. Cornelison interested them with reminiscences of the first Armistice Day. Both served with the forces overseas.

Other stories were informally told and popcorn ball and apples were passed. The affair took place at 5:30 and preceded the regular Endeavor meeting at 6:45.

Hermiston Spelt A pre-riated.

Pendleton high school's second team football men came home from Hermiston Saturday evening feeling mighty friendly toward the high school folk of the west end city for their hospitality. After taking a 13 to 7 defeat from the local boys, the Hermistonians entertained at a banquet which was served in a local hall by the girls and their mothers. A dance was also held that evening but most of the local boys had to come home early in order to get transportation. Talk at the high school today centers about the god spirit displayed by the west end people.

WAITSBURG WILL COME FOR GAME NEXT FRIDAY

Waitsburg school will play its scheduled game with Pendleton high here next Friday afternoon, it was announced this afternoon by Byron Warner, student manager of athletics at the high school. The Columbia county boys set over the notion that they wanted to play Everett high school for the football championship of the universe and agreed to play here as agreed.

The Waitsburg team is reputed to be a husky lot with a considerable portion of football in their systems. They have been going through most of the high school teams of southeast Washington in rapid order and it is promised that they will put up a stiff contest with the locals.

Pendleton is in fine shape after its ruffe against Baker last Thursday and chances for an unbroken string of victories look better than ever. The team will present its strongest lineup against Waitsburg and it is believed that the game will be the best one yet seen here this season.

The starting hour of the game has been set at 3:15, owing to the dismissal hour of the high school students being kept to 3 o'clock for Friday afternoon contests. Manager Warner says that the crowd will not be kept waiting as in the game with Milton and he hopes to have the whistle blow on the dot and the game off. Tickets are to be placed on sale at once.

"Yes."
"What are the terms of settlement?"
