L. P. Hermann, a typewriter dealer with headquarters in Boise, was in Pendleton on Wednesday and left for his head office on No. 18 last evening.

Roy W. Ritzer, assured a next president of the senate in the State Legislature, returned this morning. Besides conferring with senators from various parts of the state, Mr. Ritzer found time to visit the Pacific International Exposition and says that the exhibit is splendid and is drawing large crowds.

The road between the John Day ferry and Arlington is poor because of the recent rains, says L. D. Drake, business manager of the Astoria Budget, who arrived here last night from Astoria by motor. He states that the Pendleton-Arlington road is in good shape, however. Mr. Drake is here on business connected with the East Oregonian, of which he is advertising manager.

Falling prices are not seriously affecting prosperity in Malheur county and a bright future for that part of Oregon is predicted by all. Bert Jerrard, Eastern Oregon manager for the Equitable Life Insurance Co., said today following his return from a 19-day business trip over his territory. Great results have been obtained from land under the new Warm Springs irrigation project and the diversified farming on the section has made it possible for considerable marketing. Baker and La Grande are also in a fairly prosperous condition, with other crops than wheat their principal resources.

Assessment May Be Higher.
Belief that the assessment on public utilities in Umatilla county will be higher for the 1920 roll than for 1919 was expressed today by County Assessor C. P. Strain. Last year the ratio of assessed valuations in Umatilla county was 3 per cent but this year it is \$2 per cent. This, he says, indicates that the public service valuation will be higher. It was approximately \$10,000,000 in 1919.

Alleged Robbers Caught.
Two men alleged to have robbed the Dermiston Produce & Supply Co., a few nights ago, were arrested yesterday afternoon at Kennewick, Wash., according to advice received at the sheriff's office. Sheriff Taylor and Deputy Robert Sinclair left by auto today for Kennewick to bring the pair here. It is said they were trying to dispose of coats and other merchandise answering the description of the stolen property.

Delinquent Taxes Slight.
The delinquencies on the 1919 tax roll are slight this year. Deputy Sheriff A. C. Funk reported today. All but \$165,000 in round figures, has been collected, and of this amount a great share is tax money for the Teel Irrigation District, which is collected by the sheriff but is a special tax. This tax totaled about \$140,000 but very little has been collected. The collections on the regular roll are very good, Mr. Funk says. Just before the change in administration of the sheriff's office on January 1 he will compile a complete and exact report of the amount delinquent.

OH, DEAR! MY BACK!

Merciful Heavens, how my back hurts in the morning! It's all due to an over-abundance of the poison called uric acid. The kidneys are not able to get rid of it. When your kidneys get sluggish and clog, you suffer from backache, sick-headache, dizzy spells, or twinges and pains of lumbago, rheumatism or gout; or sleep is disturbed two or three times a night, get Dr. Pierce's Anuric, it will put new life into your kidneys and your entire system. Send Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., ten cents for trial package.

SAN FRANCISCO, CALIF.—"I have used Dr. Pierce's remedies in my family for fifteen years and have found on every occasion that they gave satisfactory results.
