

A NEW "LOW PRICE" RECORD

We've established it today with the striking values we are offering all over this great store. We are saving thousands and thousands of dollars to the people of Pendleton and vicinity. We're losing it in profits but we hope to make new friends (many of them) by lowering the cost of living to our trade. Your satisfaction is guaranteed with everything you buy here.

MR. MAN! It will pay you to trade here. We'll give you the best for the price, no matter what the price. Everything in men's and boys' wear is reduced (except contract goods). **IT WON'T PAY YOU TO WAIT** any longer, many of our present prices are lower than replacement costs.

THE SWEEPING REDUCTIONS THAT WE ARE MAKING ON MEN'S SUITS AND OVERCOATS is making our clothing section the busiest place in Pendleton— and they should. Every suit or overcoat we are offering is a real bargain. Quality considered you can't equal them elsewhere. We positively guarantee our prices.

Read these comparative prices, consider the makes and qualities we carry, then come and look and be convinced.

O. A. C. BONFIRE WILL LIGHT HEAVENS TONIGHT

CORVALLIS, Nov. 19.—"It will be a hummer!" This is what the varsity "O." the greater O. A. C. and the vigilance committee say about Home-coming week, November 19 to 21. The Agriculture of O. football game is expected to draw a capacity crowd. Tickets are going like hot cakes.

Letters with attractive orange-and-black envelopes have been sent to all the alumni in an effort to get all the old students back to see the Oregon game, and to take part in the festivities of their alma mater. Reunions have been planned in various fraternity houses, and lunquets, "feeds" and other festivities arranged.

The bonfire, built by the freshmen, will feature the entrance of the old King Jax, according to the committee. This bonfire is an event in every "rook's" life. The bonfire last year was 25 feet square and lighted up the heavens so that it could be seen on the University of Oregon campus. The classes will guard the fire Thursday night. It is the custom that the seniors take the first shift, the juniors next, the sophomores the "graveyard" shift from 12 to 4, and the rooks finish the night.

The rally tonight will be started by the monster fire and stunts and talks will be featured. The annual rook-soph rag rush is scheduled for 10 o'clock Saturday morning. The rush will be inspired by the seniors, as is always the custom.

The big O. A. C. Oregon game will occupy the afternoon. The varsity "O." men, alumni and active will banquet at 6 o'clock Saturday. The board of regents will be in attendance and it is hoped that the governor will stay over for the festivities. Wallace Keadler, former Aggie track mentor, is in charge of the banquet. The crowning event of the week-end will be the varsity "O." dance Saturday evening. Both the men's and women's organizations will be used. Open house will be observed at 3 o'clock Sunday afternoon.

DOCTORS DEGREE MARKS EDUCATIONAL MILESTONE

UNIVERSITY OF OREGON, Eugene, Nov. 13.—Another milestone in the advancement of education in Oregon was reached last Thursday when the Graduate Council passed the applications of the Department of Psychology and the Department of Physics, of the University of Oregon, to give the degree of Doctor of Philosophy. The degree of bachelor of arts and bachelor of science have been given in the state of Oregon for more than fifty years, first by Willamette University and since 1872 by the University of Oregon. The doctoral standing given to the two University departments therefore represents over half a century of progress in higher education in the commonwealth of Oregon. In the undergraduate work, 350 are taking psychology and 150 are taking physics.

200 RAMS FOR ARGENTINE PULLMAN, Wash., Nov. 19.—(A. P.)—According to information received at Washington State college here from the county agricultural office of Columbia county, a sheep company of that county is busy filling an Argentine order for 200 Rambouillet rams. Transportation charges on the rams will amount to \$16,000, it is stated.

ALL KINDS OF JOBS HELD BY GIRLS OF UNIVERSITY

UNIVERSITY OF OREGON, Eugene, Nov. 19.—Of the 775 women registered in the University over 200 held commercial positions during the summer and the range of those positions was wide. One girl played in the Hellig theatre in Portland, one managed a farm all summer, and one ran a cannery. Two girls were lookouts in the forestry service, one was assistant manager of the Meier and Frank Dairy Lunch, and still another did tinting in a photographer's shop. Nine girls taught, four were laboratory assistants in doctors' offices, four others reported for newspapers, five were telephone or telegraph operators, eight did housework and thirteen did outside work, as fruit picking and working in canneries. Office positions were the most popular, fifty-seven in all being listed under that heading, and clerking comes next with a total of forty-five.

780 CHILDREN ARE RETURNED SAN FRANCISCO, Nov. 19.—(A. P.)—Seven hundred and eighty members of the Petrograd childrens colony, wards of the American Red Cross for more than two years, are now at Port Kelvino, near Wilberg, Finland, about sixty miles from Petrograd and the homes they left three years ago, according to word received here. The Russian children were in San Francisco with their instructors, and members of the Red Cross personnel from August 2 to 4.

PUBLICATIONS SHOW NEW REALM BEING FILLED BY JAPAN'S WOMEN READERS

TOKIO, Nov. 19.—(A. P.)—Subjects of interest to women readers are increasing in Japanese magazines indicating the more important place Japanese women are taking in the life of their country. The number of magazines intended primarily for women is also augmenting.

"Women suffrage" was the subject taken up by the Josie Nipponjin meaning "Femine Japanese," one of the most noteworthy of the new periodicals. It has taken a distinctive place among the many new magazines edited for the female public. Articles in this and other magazines show that the women of Japan have a keen interest in the social problems of the west.

The Josie Nipponjin is edited by Dr. Yajiro and Mrs. Miyake who early distinguished herself as one of the pioneer girl-writers of the Meiji regime. Another women's magazine, the Fujin Club ("Woman's Club") gave a symposium on the ideal wife or husband by 129 school boys and girls and working women; complaints about an unappreciative husband a too strict home, narratives of experiences, methods of kitchen efficiency and cure for servants that steal. The articles are common to nearly all magazines of the same type.

This Gendai (Contemporary) deals also with women's interests. Ten of thousands of copies are sold of en-

DO LARGER TOWNS GIVE BETTER SCHOOL WORK?

EUGENE, Nov. 19.—Are schools in the larger towns of the state superior to the school in the smaller towns in preparing students for college work? To determine this question in investigation is being made by the English department of the University of Oregon. The grades of all the students in 15 freshman English classes will be compiled and the marks of the students from the larger towns will be compared with those of the students from the smaller towns. In this manner an estimate will be obtained of the schools giving the best preparation for college English.

CORRESPONDENCE COURSE TREATS STATE PROBLEMS

UNIVERSITY OF OREGON, Eugene, Nov. 19.—Educational adminis-

CASCARETS

"They Work while you Sleep"

Do it! Do it! Take Cascarets tonight for your liver and bowels and wake up free from constipation, biliousness, sick headache, or a bad cold. You will feel as happy as a bird, your head will be clear, your stomach and breath sweet and skin rosy. No griping—no inconvenience. Children love Cascarets too. 10, 25, 50 cents.

Education and supervision is the name of a new correspondence course offered by the Extension Division of the University of Oregon. It was prepared to meet Oregon conditions and the subject matter was carefully selected by both the school of education and the extension division. Reporters and principals of schools have been kept specially in mind on making up the course.

"Diamond Dyes" Are Guaranteed

Colors never Streak, Run, Fade or have "Dyed" Look
