HANLEY SQUAD BEATS WAITSBURG WITH SIX TOUCHDOWNS TO NONE

Locals Take Advantage of All Breaks and Score in Each Period; Terjeson is Big Ground Gainer But All Play

Eleven stalwart youths played football all the way in Friday's game between Pendleton and Waitsburg high schools and Pendleton emerged with an unscathed record by a 42 to 0 score. The green and gold scored in every period, the first and second producing one each and the third and fourth two each. Goal was kicked after every score.

and a series of runs with Hales carrying the ball put them within 29 yards of the goal and going strong. A criss-cross was essayed and the ball was dropped. Warner tore in, scooped up the oval and ran to the 13-yard line before the was thrown. Terjeson advanced the ball six yards and stonied on the next play, went around end on a criss-cross to the first touchdown. Kramer kicked goal making the score 7 to 0.

Hanley tried a short kickoff to his right end but the ball fell into the arms of Waitsburg's left tackle. Waitsburg was unable to gain against the local line and the ball went over in midfield. The visitors likewise held and Hanley punted to within two yards of the goal. Offside was called but Pendleton refused the penalty and it was Waitsburg's ball. Hales punted out to Hanley and he ran it back 15 yards before being downed. Davis tore off a nine yard run to first down as the quarter ended with the ball on the 23-yard line.

Pass Makes Score Possible Shortly after the quarter opened, Terjeson punted to Stendal for a gain of 19 yards, the stellar halfback being criss-cross to the line. A double criss-cross was worked, Davis to Hanley to Stendal, the big boy going over for his second touchdown. Davis and Cahill did some pretty blocking to keep the local captain, but inability of his mates to carry their share of the burden and fumbles at critical moments shut them out from scoring.

While Pendleton's line crumpled a bit before the onslaughts of the speedy, 190 pound fullback from Waitsburg, the boys held their ground nobly against the men of their size and on several occasions took the ball on downs. Hales was by no means invincible and both Kramer and Warner threw him for more than one loss. Pendleton kicked off to Waitsburg

Law and Baseball Fan

JUDGE K. M. LANDIS

Judge K. M. Landis, chosen chief arbiter of baseball, isn't essentially different at a baseball game from what he is when presiding over his court. The sparkle of interest in his eyes just the same. This picture was taken while the judge was watching a game in Chicago.

worked to the one yard line. Terjeson tried a split back for touchdown but the line held and the half ended with Pendleton two feet from another touchdown.

Rogers Blocks Punt The third score resulted from a punt which Rogers blocked and which was recovered by Goedecke. Terjeson was off a 24-yard run off tackle for a touchdown a moment later. Hanley and Davis knocking off would-be tacklers after Kramer had opened the hole. Hanley added the point that made it 21 to 0.

Waitsburg again received but after advancing a bit had to punt. Kramer returned the ball to midfield, the punt having been low and a roller. At this juncture Pendleton opened up on an aerial game that was one of the prettiest exhibitions of forward passing ever witnessed here.

Terjeson tossed one over center to Hanley for a 35-yard gain. Hanley on the next play heaved 24 yards to Stendal and the run before he was downed made it 39 yards. The ball was then on Waitsburg's 11-yard line. Hanley made a delayed run through guard for nine and a buck by Stendal falling, took the ball over the line on the next play on the same zone. Kramer and Lawrence opened the way for his two-yard spin. His goal made the score 28 to 0 and ended the scoring for the third period.

Visitors Look Dangerous Waitsburg, by the efforts of Hales, advanced the ball to Pendleton's 22-yard line by the fourth quarter and was looking dangerous. The halfback fumbled but recovered. A would-be pass failed and with 19 yards to go on the fourth down the ball on Pendleton's 40-yard line. Hales attempted to make first down. He made eight and the ball went over.

Davis tore off two bucks of five and eight yards and Terjeson added a yard. On the dead man play Hanley skirted left end for a 19 yard gain. Stendal hurt his hip and Cahill went to help, Henderson taking end. Terjeson made another first down and Hanley reeled off a seven-yard end run. Terjeson has given the ball on a criss-cross and skirted left end 25 yards for the fifth touchdown. Hanley kicked goal.

With the game safe, Hanley and Addison in at guard for Hales and Harton at tackle. Waitsburg received the kickoff and made first down, since but two passes were incomplete and the ball went to Pendleton on the 43-yard line.

"Dead Man" Good Tweak After two short gains, Pendleton played the dead man trick for the second time, Terjeson being on the ball. He passed back to Davis and Davis handed the ball to Hanley who cut loose with a mighty heave across the field. The ball fell into Terjeson's arms for a 30-yard gain and with a clear field to the goal, 19 yards away, he fell. He was unable to get up before Waitsburg tacklers were on him. Cahill made an off-tackle run on the next play, however, and squirmed and wriggled his way to the sixth touchdown. Goal was kicked and the total stood 42 to 0. With darkness and a thunder shower coming, the crowd left and by agreement of the teams, time was called.

Only once did Pendleton punt, four passes were completed for nearly 100 yards gain without a failure, one of their passes was slipped over. The locals made first down repeatedly and every score was followed by a converted goal.

Lawrence and Havel, both playing in the center of the line, looked just as good as their mates, Kennedy and Tom (the who were on the bench. Kramer, as in other games, was the shining light of the line, but Goedecke and Rogers, tackles, looked better than in any local game this year. Warner was 100 per cent improved at end and

hill took care of his wing in fine style. Davis was a consistent ground gainer when called on to carry the ball and his interference work was of a high order. Hanley did not carry the oval much but picked off tacklers and was a wear on defense. Stendal looked nice on the forward passes he caught and hit hard every time. For gaining ground and backing up the line old reliable Jim Terjeson was the luminary.

Teamwork is Hanley's Reward Hanley's team played as a unit yesterday and their teamwork had the touch of a college eleven. Everyone at the boss got his man on offense. Defensively the lads played bang-up ball. They kept Hales covered better than any team which Waitsburg has met this year. The fact that the visitors were shut out tells best the story of the local defensive. Scores of expressions of congratulation on the coaching of Dick Hanley were heard after the game.

Rox Hillis refereed and gave satisfaction to both teams. Orville Reeves was umpire. The field was in good shape and the game went off fast. Pendleton has its last regularly scheduled game of the season here Thanksgiving day against La Grande.

Some Reasons Why We Should Have Your Battery Business

- 1. Experienced, qualified men. 2. Sufficient mechanical equipment 3. A Policy of Fair, Square Dealing. Perhaps to these we should add a fourth: 4. We are the Service Station for the

With Philco Retainers, Guaranteed for Two Years

Nor do we wish to slight this fourth reason. It is no easy matter to secure the Philadelphia Storage Battery Co. franchise. And it can only be retained when the service to car owners is such as would be expected between a merchant of the highest type and his most exacting customers.

Aside from this we feel a personal pride in representing this battery, knowing as we do that wherever one is sold a friend is created.

MIKE KELLEY AGREES TO MANAGE PHILLIES

PHILADELPHIA, Nov. 20.—Mike Kelley, manager of the St. Paul American Association baseball team, will replace Gavy Cravath next year as manager of the Philadelphia Athletics, according to an announcement today by Wm. F. Baker, president of the Phillies. Mr. Baker said Cravath has been given his unconditional release. Although Kelley has not yet signed a contract, Baker said they had agreed on all details.

QUALITY SERVICE SANITATION

For Thanksgiving

Have you selected your turkey for this big day? Have you all the necessary trimmings, such as Cranberries, Sweet Potatoes, Spices, Pickles and a hundred other things that we might mention? This market will be overflowing by the first of the week with all the goodies it takes to prepare a wonderful feast.

"If It's on the Market We Have It"

Silverware

Silverware is the cherished gift of nearly every homemaker. Undoubtedly you will need a carving set or a silver plate for your Thanksgiving dinner.

Alvin Silver was introduced by us in this community over ten years ago—it has proven one of the most satisfactory on the market. We have never heard a complaint. From time to time we have added many beautiful patterns, such as "Molly Stark"—this pattern can be found here complete.

We carry many leading makes in silver and plate, such as Gorham, H. Wallace & Sons, Rockford and a in fact one of the largest stocks in number of other makes.

In face of one of the largest stocks in eastern Oregon of Jewelry and Silver is at present in our store.

Lowe's

Here is a real paint—

Lowe Brothers High Standard is a better paint than you have ever used before. Better because it lasts longer and looks better as long as it lasts. Best of all, while it costs more per gallon, it goes farther than other paints, therefore it always costs less per square yard applied. High Standard has been made for 50 years—of nothing but the best and purest materials obtainable. We want you to try it on your next painting job. You will never again use any other brand. Ask for booklet and color card. Both are free.
