### PROGRESSIVE DINNER UNIQUE.

Charming in every appointment was a dinner presided over Saturday evening by a group of maids including Miss Ferndale Perrin, Miss Daphne Belts, Miss Della Ferguson, Miss Leona Bowman, Miss Muriel Hampton and Miss Vera Hampton. The co-esses were served in progressive mode, the guests gathering first at the home of Miss Perrin where at 7 o'clock cocktails were served at a table handsomely decked with crimson decorations and unique cards.

Between each course the party moved to its next destination. The second home to be visited was that of Miss Belts where tiny Japanese Chrysanthemums were surrounded by yellow candles to deck a pretty table where salad was served. The yellow motif predominated also in dainty cards which marked the places.

At the home of Miss Ferguson, where the dinner course was served, snowy white chrysanthemums included their welcome and flirtatious kewpies winked a merry greeting.

Dessert was served at the home of Miss Bowman and the guests found places about a table where the appointments developed a color scheme of pink. Fluffy and fragrant pink and white carnations were caught into a basket from which pink streamers fluttered to dainty little cups brim full of pink mints which were stationed beside the plates.

To complete the evening the party motored to the Hampton home to dance away the final hours. Old rose and blue fashioned an artistic color motif and punch was served to the dancers. Guests who shared the charming hospitality were Bernard Bybee, Fred Granholm, Kyle Guerrant, Jack Childs, William Young and Bern Moll.

## UKIAH TRUCK OWNERS FIND ROAD VERY BAD

(East Oregonian Special)

UKIAH, Nov. 22.—J. H. Wagner, and Earl Martin left Wednesday afternoon for Pilot Rock in their trucks returning Thursday and although the roads are very bad, both brought back good loads of freight.

Mrs. Grayville Plant, is seriously ill at the home of her mother, Mrs. Maggie Walker in Ukiah. Mrs. Plant was at their homestead, 10 miles below Dale when taken sick, and the trip was very hard on her when brought to Ukiah, where she has suffered severely. Dr. DeVaul of Pilot Rock was called Wednesday and relieved her, and she is now resting nicely.

Mr. and Mrs. Fred Hulley who have been working at Gurdane at the Ely sawmill during the summer, passed through Ukiah the first of the week, going on to Grant county where they will spend the winter.

Clyde and Walter Helmick and Brad Jarvis, left Monday for Bridge creek, where they will ride after their cattle.

Mr. and Mrs. Walter Kirk have taken a position at the Bond ranch for the winter.

Charley Welch made a trip to Pendleton the first of the week to visit his daughters, who are attending school there.

Charley Hynd visited in town Wednesday with his family.

Jay Despain is clerking in the hardware store for J. H. Wagner.

Wesley Slaughter and Jack Powell returned Wednesday from Freewater.

Miss Florence Ness, who is attending St. Joseph's academy in Pendleton, is expected home to spend Thanksgiving with her parents.

Frank Chamberlin, assisted by Clarence Daley, is on his homestead, building his house this week.

Mr. and Mrs. Lee Knapp and four sons, of Pendleton, who have been visiting in Grant county with Mrs. Knapp's parents, Mr. and Mrs. G. S. Andrus, are visiting for a few days in Ukiah with Mrs. Mabel Case.

Henry Layman, and Miss Agnes Mettle left Friday for Butter Creek where they will attend the dance given at the John Ross ranch.

Mrs. Adams was formerly Miss Vesta Kirk of Ukiah, daughter of J. D. Kirk and has made her home here the most of her life. Mr. Adams has a fruit farm near Freewater where they will make their future home. All extended congratulations and wish them a long and happy life.

### A Mother's Recommendation.

Mrs. Kate Deets, Mayville, Mo., recommends Chamberlain's Cough Remedy as follows: "I gave Chamberlain's Cough Remedy to my children when they had croup and whooping cough and I and my husband have both taken it for colds and coughs and it has never failed to give the desired relief. I cannot praise this medicine too highly. This remedy contains no opiate and may be given to a child as confidently as to an adult."

### Beware of a Persistent Cold.

When a cold hangs on week after week or when you contract a fresh cold before you are over the first one, there is great danger of some germ disease getting a start in your system. The average consumptive will tell you that "I had a hard cold last winter that was followed by a bad cough that I have not been able to get rid of," or something to that effect. Why take the chances of such a result when Chamberlain's Cough Remedy, famous for its cures of bad colds may be had for a trifle.

### For an Impaired Appetite.

Loss of appetite always results from faulty digestion. As a general rule, all that is needed is a few doses of Chamberlain's Tablets. They will strengthen the stomach, improve the digestion and give you a good appetite. They also cause a gentle movement of the bowels.

### Despondency.

When you feel blue and that everything goes wrong, take a dose of Chamberlain's Tablets. They will cleanse and invigorate your stomach, regulate your liver and bowels and make you feel that this old world is a good place to live in.

Rain has fallen since last Monday and Camas Prairie is equal to the Willamette valley when it comes to rain. The frost is all out of the ground and the roads are becoming very muddy and bad and some snow is visible on the highest peaks.

A severe epidemic of bad colds, is prevailing in and around Ukiah.

Don't forget the Thanksgiving program by the school as everybody is invited to attend.

Mrs. Tassie Metzcar left Friday morning for Baker where she will spend the winter with her aunt and uncle.

Dr. W. H. Thomson, Little Rock, Ark. says: "My little boy had a severe attack of croup, but two doses of Foley's Honey and Tar cured him, and he never had it again. I would not be without it at any price."
