## WORLD'S BEST RACING DRIVERS WILL STRIVE FOR HONORS THURSDAY

Beverly Hills Speedway, Los Angeles, Will See Kings of Speed and Thrills in 250 Mile Annual Classic.

LOS ANGELES, Cal., Nov. 22.—(A. P.)—Some of the best known automobile racers in the world will start in the 250 miles Thanksgiving Day event on the Los Angeles Speedway at Beverly Hills. The race will close the 1920 racing season and probably decide this year's "Speed King." A win for Gaston Chevrolet, Tommy Milton, Jimmy Murphy or Ralph De Palma, who lead the other drivers in the number of championship points made in this season's races, will make him the champion, according to the authorities.

From speeds reached in practice on Friday, the capital of Armenia.

The Beverly basin in the last two weeks, officials of the speedway association announced their conclusions that about three hours would elapse from the start to the finish of the race.

Prophesies as to the expected speed were based on records made in single practice dashes around the mile and a quarter oval, that have produced speed well above hundred-miles-an-hour mark.

Prizes amounting to \$35,000 are offered. Of this, \$10,000 is from the Citizen's Lap fund, and goes at the rate of \$50 to the driver leading at the end of each of the 100 laps.

In preparation for the contest, the four drivers trying for the championship title, and Joe Thomas, Roscoe Scales, Eddie Miller, Fred Deussenberg, Eddie O'Donnell, Eddie Hearne and Art Klein, who have made spins around the basin, pronounced it one of the speediest tracks upon which they have ever raced.

### ARMENIAN CAPITAL FALLS

LONDON, Nov. 22.—(U. P.)—A News Agency dispatch received here from Swiss sources said that it is reported that Kemal Pasha, leader of the Turkish nationalists, has captured the Armenian capital of Yerevan.

## PORTLAND CRITIC PICKS TWO PENDLETON YOUTHS

Homer Hayden and Dwight French, Pendleton boys, on Sunday were named as second choice for all-star positions on Portland's composite high school eleven. George Gowne, writing in the Oregonian, names Hayden as center on the second all-star team, and French as left half-back.

Hayden has been attending Hill Military Academy and is captain of the team this year. French entered Washington high school last winter after playing most of the season on the local team a fullback. He is a big fellow and would have looked good at fullback on the local team this fall under Hanley.

### DARTMOUTH COMING WEST

SAN FRANCISCO, Nov. 22.—(A. P.)—One eastern football team, representing Dartmouth College, will appear on the Pacific Coast this month in a game against the University of Washington at Seattle November 27. Another eastern team probably will come west next month to play a western team in the annual New Year's Day game at Pasadena, Cal.

The Dartmouth game will be the first played in a new concrete stadium being rushed to completion on the Washington campus.

### RECOGNITION IN TRADE PACT

WASHINGTON, Nov. 22.—(A. P.)—The state department announced that virtual de facto recognition of the Russian soviet government has been extended by Great Britain in the proposed trade agreement between the two countries.

## CALIFORNIA SETTLES COAST CHAMPIONSHIP ARGUMENT DECISIVELY

Stanford No Match for Bears in 38-0 Contest; Tie at Corvallis is Big Jolt to Followers of Both Oregon Teams.

California left little doubt as to which coast team shall enjoy the right to represent the west in the annual New Year's day classic at Pasadena when the Bears trounced Stanford Saturday afternoon by a 38 to 0 score. It was a final and decisive argument in favor of the Berkeley eleven and the coast can sit back after Thursday's contests and await the outcome of the post-season feature.

While the championship of the Pacific coast conference was settled in this contest, it took second place to that staged at Corvallis between Oregon's two principal institutions. The scoreless tie between the fighting Aggies and the University eleven will go down in sport annals as one of the tightest contests ever staged between these two age-old rivals.

### Aggies Fought Hard.

Oregon, picked a sure winner by most sports followers, met in the Corvallis team a squad with more fight than has characterized the orange and black since the days of Wolff and Ketch. But the fight was just as hard on the Oregon side and when the Aggies had four downs in which to go four yards to the goal and were held, they realized that Oregon fight cannot be least.

Mod tells best the story of the scoreless tie between the teams. On a wet field, newly graded this year and soft beyond telling, it was anybody's game. True both teams had more than average success with passes and a few runs for good gains were made. In the main, however, it was a battle where weight had the upper hand and defensive work by both lines was too much for the backs to break through.

The lack of a victory for the Huntington protégés made good the claim of Washington State College to the northwest football championship. Oregon has the same standing in percentage as W. S. C. in the coast conference, but because of the former's inability to win over A. C. C. a real accomplishment a week ago by Welch's team, the cardinal and grey claim is good.

### Bears Claim Is Clear.

California's decisive win over Stanford gives the Bears clear sailing, although they did not play either the University of Oregon or Washington. But Stanford beat both these teams and then lost to California. California defeated O. A. C. and W. S. C. but Oregon tied with O. A. C. so there again, the Bear claim is good. Who will come west to meet Smith's eleven is not decided.

Saturday's games were the final college contests within the two conferences hereabouts. Thanksgiving day, the traditional finale to every football year, finds most of the schools of this part of the world engaged in inter-sectional contests. Oregon journeys to Los Angeles for its clash with University of Southern California at Pasadena, Washington State to Everett, where it will play the Puget Sound team. Saturday found the Lincoln, Neb., where on Thursday the northwestern champions will meet the Nebraska eleven. The University of Washington will enter two battles, first far off New Hampshire in the new Seattle Stadium, on Saturday.

Whitman college and Willamette university, infant members of the Northwest conference, will meet Thursday at Salem in the only conference game in this section. Neither has met a common opponent so far this year so a guess as to the outcome of the game is hard to make. Whitman has put up some good football this fall and is expected to give the Salem eleven some entertainment whatever the outcome.

## FOOTBALL

SAN FRANCISCO, Nov. 22.—(A. P.)—Two games may be played by the Washington State College football team when it journeys to the middle west late this month, according to reports received here from the north. One game, already scheduled, is against the University of Nebraska at Lincoln. The other, now being talked of, is against the Haskell Indians at Kansas City.

## CIGARETTES

Dallas, Texas, Sunday,

DEAR OLD BOY PETE!

This corner of the U. S. mainland is so wonderful in its bigness and bustle I guess I go mouth wide open and eyes staring! Why, Pete, Texans don't talk in miles—it doesn't mean anything! They'll tell you that this place, or that, is an all-day trip, or two days and a night distant, etc. And, old yardstick, you've got the feet, just let it sink in deep that Texas is not only over 800 miles wide but it is our fifth state in population!

Heard a bird in the Adolphus Hotel say that when he comes off the west border he figures he's close home to Baltimore when he's across the Lone Star State! Talk about "jumps"! Try a few, say the one between Texarkana and El Paso!

Pete, everything grows big down here—business as well as folks' hearts! I like the way they never forget! Here I was walking on Main Street yesterday when as fine a type of man as ever wore one of those broad Texas smiles came up to me. "How are you, lieutenant?" says he. "Maybe you'll call back that day at Camp Dick when I brought over that bunch of Camel Cigarettes for the boys," he continued. Right then a Camel conference opened!

Golly, Pete, this party coins Camel compliments faster than the mint makes money! "Lieutenant," says he, "I know when I'm set! I've smoked cigarettes for five years! (NOW LISTEN, PETER!) I know Camels and I know their marvellous mild, mellow body and refreshing flavor and wonderful Turkish and Domestic blend! A million Camels wouldn't tire a smoker's taste!" Now, Pete, I'll say that's some testifying!

Sincerely

Shorty.

P. S.—Between you and me I'll be gazing at tall buildings and things around 43d and Broadway—N.E.W. Y.O.R.K.—about the hour this note hits Boston's Back Bay! Write me at the same old stand!

## A Big Truth

"Good advice is no good unless you take it."—Painless Parker.

When some one advises you to have your teeth fixed up, you say: "Yes, that's good advice; my teeth DO need looking after." And then you let the matter drag along, your teeth getting worse all the time.

There is only one right time to look out for your teeth, and that time is NOW. This is good advice, but it won't do you any good unless you take it NOW.

When you think of TEETH, think of PARKER.
