DAILY EAST OREGONIAN, PENDLETON, OREGON, WEDNESDAY EVENING, NOVEMBER 24, 1920.

FOOTBALL IS INITIAL COURSE ON MENU OF THANKSGIVING HERE

La Grande and Pendleton High Have Early Afternoon Tilt Scheduled at Round-Up Park for Classic of Season.

- Pendleton's Lineup: Warner, left end; Rogers, left tackle; Kramer, left guard; Lawrence, center; Hovel, right guard; Goodrich, right tackle; Cahill, right end; Hanley, quarterback; Stendal, right halfback; Davis, fullback; Terjeson, left halfback.

Pendleton will have its football classic Thursday afternoon, along with the college centers and big cities of the nation, when La Grande and Pendleton high schools, traditional rivals, meet on the gridiron at Round-Up park in their annual game.

The doctored youngsters who have swept everything before them this season are ready to give their best against La Grande. Coach Hanley has ironed out his squad all the superfluous confidence and will send them onto the field with the grim determination to work hard all the way in order to win.

An encounter of high class, such as was played at Baker between the team there and Pendleton, is predicted. For high school teams, the cities of Eastern Oregon this fall are showing some of the best trained athletes in the state and the games here of late have been more than gratifying to those who know the finer points of the grand college sport.

The aerial attack of the Pendleton team, which worked at its best last Friday against Whiteburg, is one of the strongest assets of the squad. Straight football, however, has not been neglected in the offensive and off-tackle bucks and line plunges have won most of Pendleton's games. With

the old game well in hand, the boys are fortified against defeat by a repertoire of tricks and forward passes that defies matching. Should the local lads find themselves up against it for scoring power, which has not been the case yet this year, they have the good right toe of Myron Hanley to rely upon. Within 40 yards of the uprights the sterling young quarterback is dangerous with the dropkick. Billy Kramer, husky guard, can place kick in a manner not to be sneezed at, and in a pinch probably could register from 25 to 35 yards.

Every man who entered the Whiteburg game came through without damage and the lineup against La Grande should be as strong as at any time this year. Stendal, who lit on his hip late in the Whiteburg game and was taken out, suffered no ill effects from the fall and is going well. Davis is getting all the speed and yardage his 140 pounds will handle and he is expected to show up well tomorrow. Captain Jens Terjeson is primed to do just a bit better in this contest than in any previous and that will account for two or three of the scores.

Coach Carl Lodell will bring his La Grande squad here in the morning prepared for the battle. The Union county boys still believe that they are a better team than which was defeated several weeks ago by Baker. A look at the Sheehan Brothers trophy cup tomorrow is expected to put the boys on edge to give Pendleton a run for the honor of having its name first carved upon the silver sides.

Referee Fred Bennion will blow the opening whistle at 2:15 and the game will be finished within an hour and a half, it is promised. A move is on foot to have the crowd enjoy the contest from the Round-Up grandstand instead of along the side lines but as yet the police force has not assigned a squad to patrol the lines. Leo Shannon, the big guard who played on the Marine Corps team at Mare Island, will act as umpire and Rex Ellis will be head linesman.

COUGARS ARRIVE AT LINCOLN. LINCOLN, Neb., Nov. 24.—(A. P.)—Twenty-two football players from Pullman, Wash., representing Washington State College arrived here last night for the Thanksgiving game with Nebraska. They had a few moments of drill on Nebraska field. Coach Welsh said he did not care to make any prediction on the outcome of the game, but was optimistic. The Nebraska eleven will have the advantage in weight by a pronounced margin. Both teams will have a work-out today, but there will be no scrimmage play.

PRINCETON WOULD NOT ACCEPT INVITATION TO PLAY PASADENA GAME

While Tigers Have Not Been Asked to Come West, They Realized Possible Right to Contest for Honors.

PRINCETON, N. J., Nov. 24.—(A. P.)—Definite announcement that the Princeton University football team would decline an invitation to play a game in California New Year's Day was made Tuesday by the board of athletic control.

The board reached its decision after receiving a recommendation from the Princeton football advisory committee advising against acceptance and pointing out a number of reasons why the team should not make the trip. Although no formal invitation has been received, the football management was given to understand that one would be extended by the University of California should Princeton's acceptance be assured.

In a statement last night Knox Taylor, chairman of the football advisory committee, said the proposed trip had been given serious consideration and that it was with regret that it was found impracticable.

Training Season Too Long. "A game with California," said Taylor, "would be an anti-climax to the Princeton season. The climate here now is so uncertain that it would be impossible to continue practice until the departure of the team for the west. Another thing which stands in the way of the trip is the vital importance of having the football players devote the proper time to scholastic work, which would not be possible were they to be kept in training for a long period."

It was also pointed out that five members of the Princeton varsity football squad also are members of the basketball team, which is fighting the University of Pennsylvania for the lead in the inter-collegiate league race.

PRINCETON NOT YET ASKED. PASADENA, Cal., Nov. 24.—(A. P.)—Members of the football committee of the Pasadena Tournament of Roses association held a meeting last night to discuss the annual east versus west gridiron contest here New Year's day. Discussing the announcement from Princeton university that its football team would decline an invitation to represent the east committee members said no official invitation had been extended.

For Middle-Aged Men and Women

It isn't always on-coming old age that causes men and women in the middle years of life to slow up and feel a loss of ambition and energy. Weak or disordered kidneys do not filter waste matter and impurities out of the blood as they should, and backache, tired feeling, lameness, stiff joints, sore muscles, rheumatic pains, biliousness, irritation of the bladder, puffiness under the eyes or other symptom or ailment appears.

SHE WAS GREATLY BENEFITED. "I feel so much better than I did before I got Foley Kidney Pills. They are fine and you may use my name in your advertisement, I am glad to tell you, as your medicine helped me greatly. I truly hope some one else who needs it will get some of your medicine. Your Kidney Pills are wonderful. I cannot thank you enough for them." Laura Perry, 1240 Twigg St., Augusta, Ga.

FOLEY KIDNEY PILLS strengthen the kidneys, stimulate the bladder and tone up the liver. They help the kidneys remove the accumulated poisons and soothe and heal the passages. When the kidneys and urinary tract are doing their work perfectly, the whole system is benefited and restored to health and strength. Why suffer when a reliable remedy can be so easily had?

BEZDEK TEAM CONTENTS 'FOR EASTERN LAURELS

PITTSBURGH, Nov. 24.—(U. P.)—When Penn State and Pitt clash tomorrow, they will be playing not only for the football championship of Pennsylvania, but the winner will claim the title of eastern champion. Penn State has been claiming the honor for the past fortnight and during by comparative scores, Pitt shapes up as a logical contender for the same laurels. Already the hotels are jammed with football enthusiasts, here for the big game. Nearly all of Forbes Field's 10,000 seats are sold and "SRO" will be at a premium when the teams line up for the kick-off.

With teamwork perfect, it looks like individual stars may decide the result. Remembering Tom Davies' sensational 90-yard dash from kick-off in the Pitt-Penn game, State's watchword will be "Look out for Davies," while Pop Warner has drilled Pitt to "clear the way for Tommy." With Harman at left tackle and quarterback Tommy Holleran in the game Pitt's offensive should be at its best.

Penn State's stars will be watched closely for the feared State forward passes and brilliant runs. Hush Bezdek's boys have a disconcerting way of pulling off long runs that keep their opponents taut every minute of play—witness right halfback Charlie Way's 57 yards against Nebraska and left halfback Haines 50 yards in the Penn game. Captain Hess at right guard and Killinger at quarter are the respective pivots of a stellar defense and offense. Betting odds are about even all conceding a close score.

OREGON AND COUGARS AT SCENES OF BATTLE

PASADENA, Cal., Nov. 24.—(A. P.)—A light workout Tuesday and heavier practice today will complete the programme of the University of Oregon football team which arrive here Tuesday morning for its game Thanksgiving day with the University of Southern California.

"Hero" Bill Steers was detained in Oregon by the illness of his father and Coach Huntington said Steers' probable inability to join his teammates by Thursday and the hard game last Saturday with the Oregon Aggies at Corvallis left the team "somewhat crippled." "But at that," he continued, "I have a pretty good machine and the boys are out to show what they can do. We hope to be in fine condition by Thursday." He said "Spike" Leslie would be acting captain Thursday if Steers did not arrive. The Oregonians average about 172 pounds, which is about the same as the Trojans.
